Baylor University

Chartered in 1845 by the Republic of Texas, the state's oldest university proudly embodies the bold pioneering spirit of her founding fathers.

Baylor University, as the world's largest Baptist institution of higher education, strives to provide foremost academic opportunities in a Christian environment.

From space research to preserving endangered plant species, the reach of the Baylor family extends immeasurably. Academic challenges abound for the university's more than 11,500 students.

Undergraduates may choose from 35 baccalaureate degree programs covering more than 110 major areas of study. Coursework is enhanced by opportunities to study beyond the classroom, including the university's international programs and hands-on experiences such as archaeological digs from Waco to Israel.

Baylor has more than 600 faculty members and 96 percent of all classes are taught by professors. The student-faculty ratio is 19:1 and a typical class numbers 35 students.

In addition to academic pursuits, students find plentiful social occasions to round out their educational adventures. More than 200 social, service, professional, religious and honorary organizations—from Phi Beta Kappa to national sororities and fraternities, the nation's first collegiate chapter of Habitat for Humanity and the first Baptist Student Union—are recognized by the university.

Baylor also is the home of the 1989 National Debate Champions, a prestigious honor awarded to the country's best scholastic debate team. (Baylor debate squads previously won the title in 1975 and 1987.) Numerous lectures by prominent speakers plus quality performances by musicians and entertainers magnify the university's desire for students to "make a living and make a life."

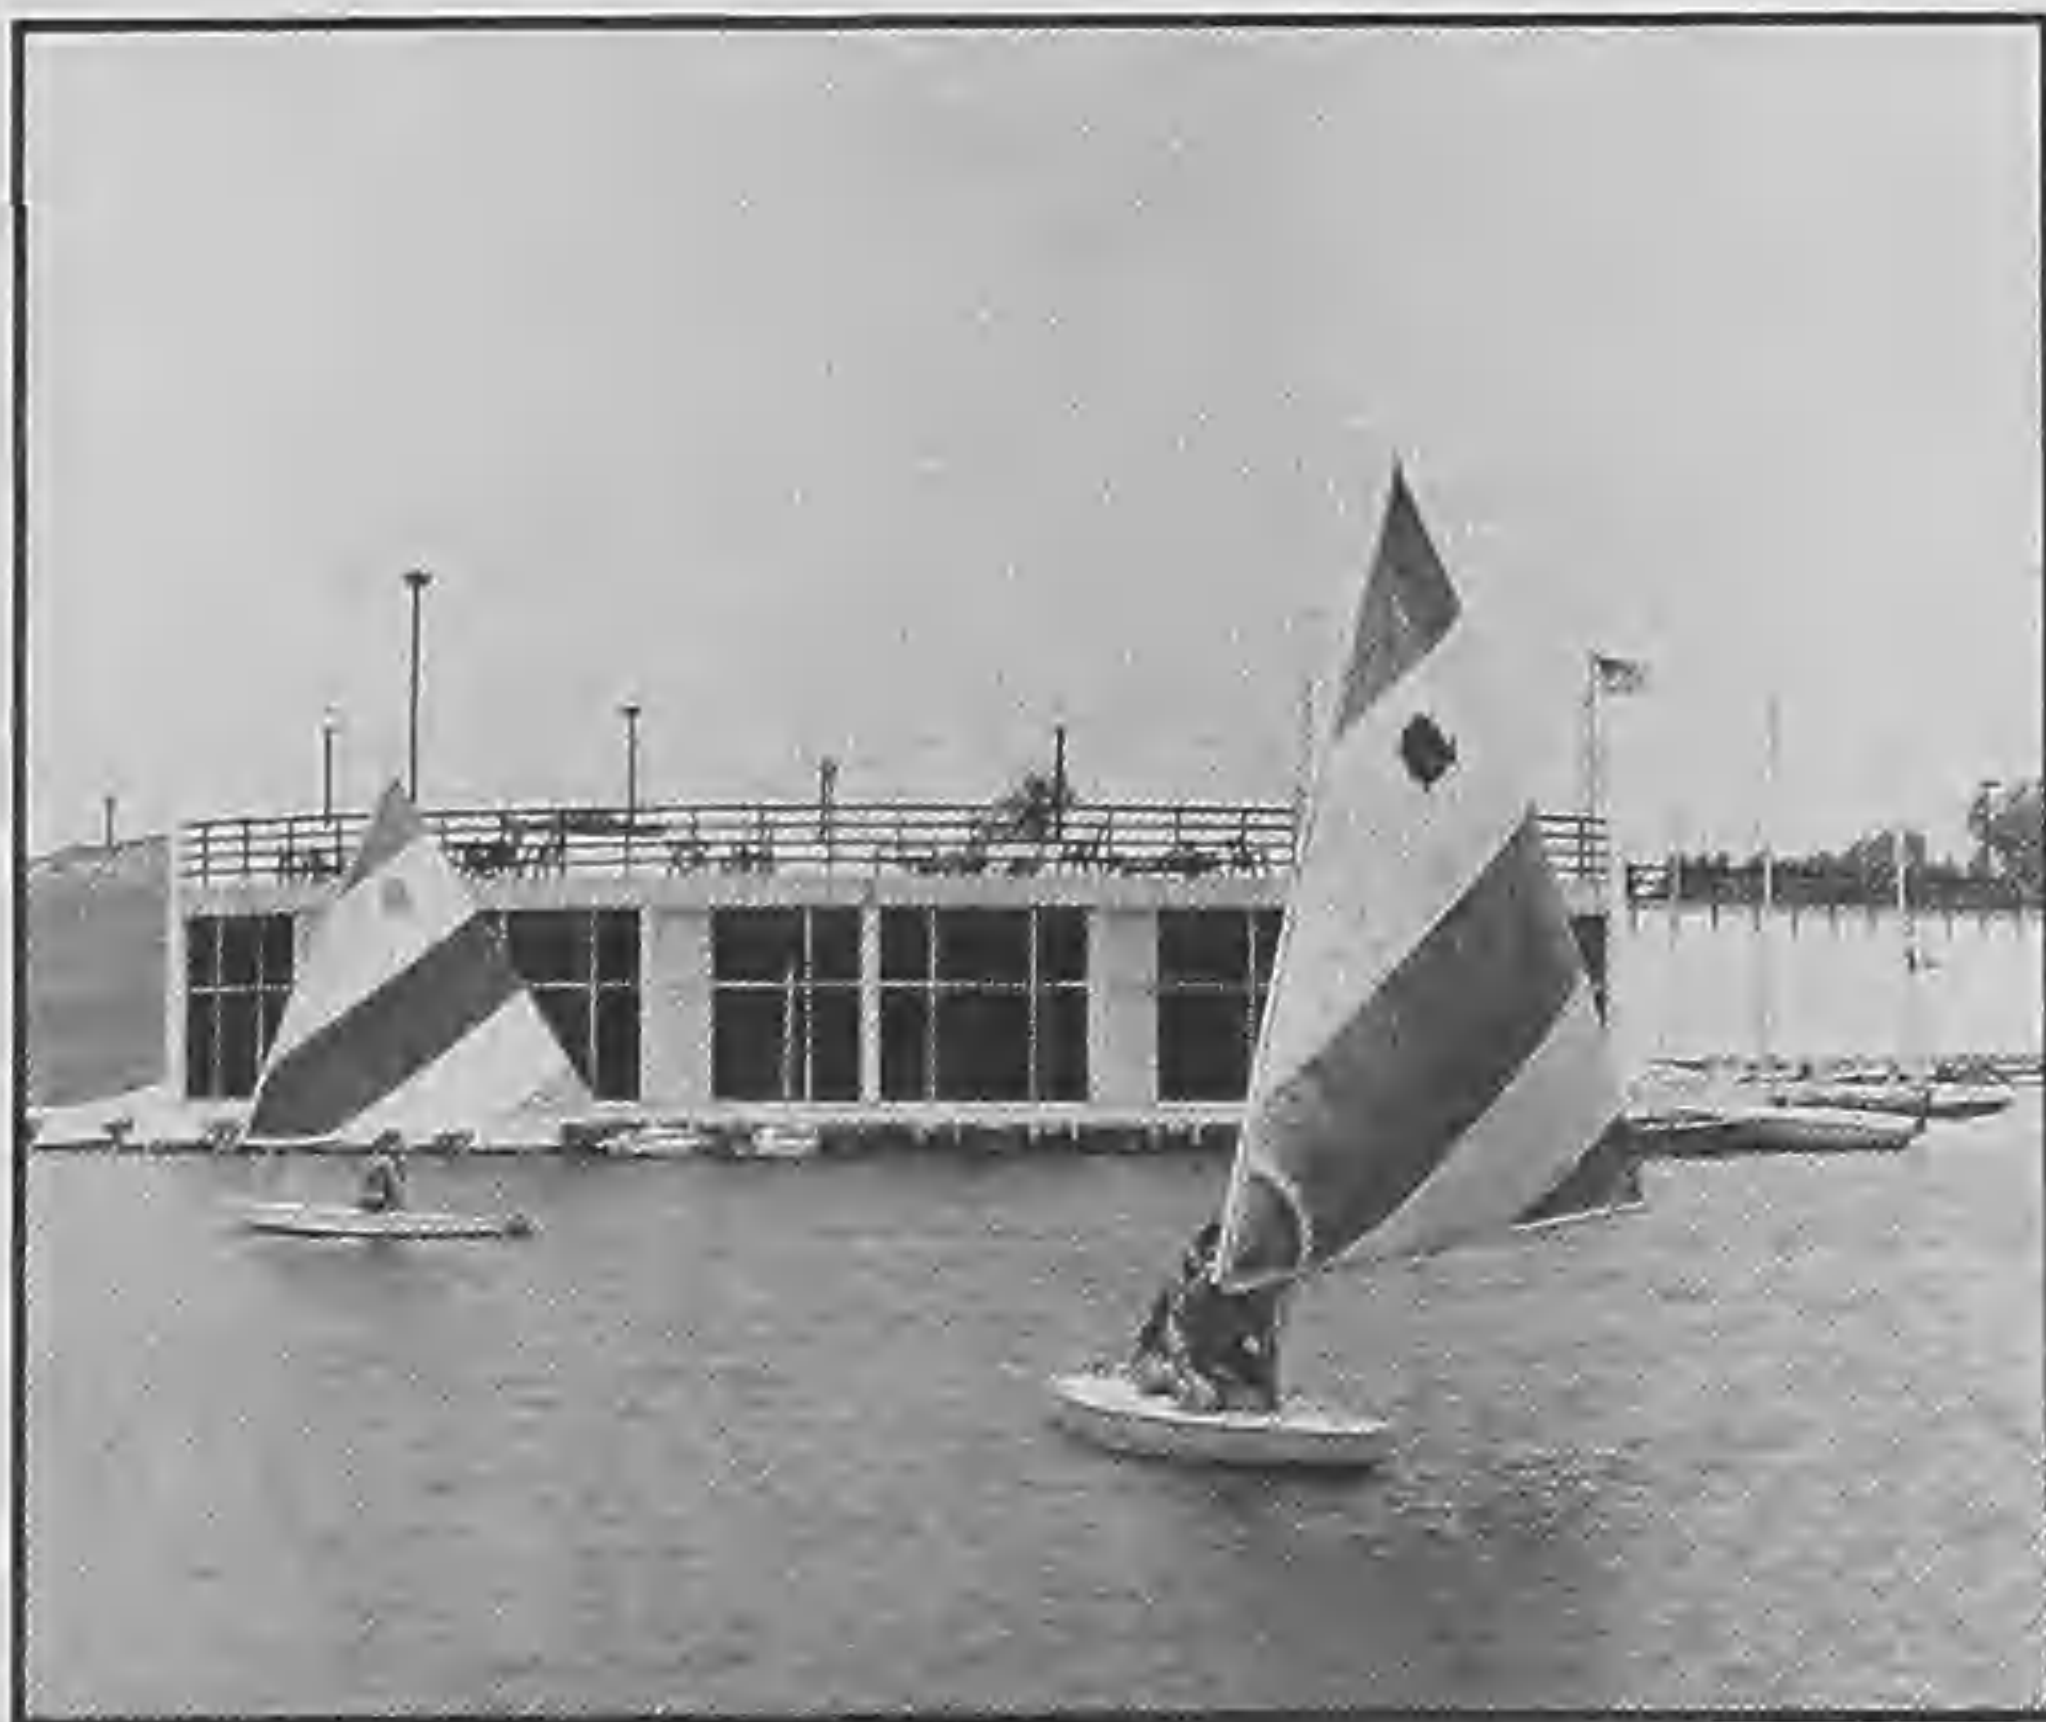

Varsity sports teams in football, baseball, women's volleyball and men's and women's basketball, track, tennis and golf participate as members of NCAA Division I and the 75-year-old Southwest Athletic Conference (Baylor was a charter member). For non-varsity student athletes, the university provides an extensive program of intramural sports and recrea-

tion facilities for swimming, tennis, racquetball, sailing, canoeing and boating.

The approximate annual cost to attend Baylor for the school year 1989-90 is \$8,810, based on 30 semester hours with room and board but excluding travel costs or personal expenditures. Four basic forms of financial aid—scholarships, grants, loans and campus jobs—are available; merit and need are qualifying factors in determining aid recipients. About 60 percent of the student body receive assistance.

Prospective students should rank in the top half of their high school class, preferably in the top quarter, and they should present acceptable scores on the SAT of the College Board or the ACT of the American College Testing program. Students who wish to transfer to Baylor and who have completed at least 30 semester hours must present transcripts of all work verifying a minimum overall grade point average of 2.5 (on a 4.0 scale), plus a 2.5 or better GPA during their last semester and must be eligible to return to the last school they attended.

From main campus on the banks of the Brazos River in Waco (estimated population of 110,000) deep in the heart of Texas, Baylor charges her students, faculty, staff and alumni to seek avenues to enhance the quality of life at home and beyond. It is a challenge many answer in a variety of methods, from student drives to gather canned goods, clothing and blood to missionary work and community involvement later in life. Baylor is making the difference for tomorrow . . . today.

The Outlook From Bear Country

Coach Grant Teaff heads into his 18th season at Baylor feeling his Bears have a chance to be among the Southwest Conference's better teams in 1989. He cites wins in the last two games of '88 (after a devastating string of injuries) and an excellent off-season program followed by a solid spring training as reasons to be encouraged.

The key to Baylor getting back in the bowl picture and posting a fifth straight winning season will be the return of numerous wounded players. To enter post-season play again the Bears must avoid last year's scenario in which 32 of the top 44 players missed one or more games with injuries.

Another major factor will be Baylor's ability to play and win on the road against top opponents. The Bears will don white jerseys for games at Oklahoma, Georgia, Houston, Arkansas and Texas. A schedule that tough can make even an optimist like Teaff temper his enthusiasm.

Enough talent is on hand, though, to help the Bears climb those mountains. Seven offensive and five defensive starters return, but many more players are back after gaining valuable experience filling in for last year's injured. A quick look at the depth chart reveals good experience in all but a few areas.

Teaff hopes 1988's misfortune can be parlayed into a repeat of the accomplishments of his 1985 team which finished 9-3 despite playing Georgia, USC, Houston, SMU, Arkansas and Texas on the road.

A great deal of Baylor's success in 1989 will depend on the defense's ability to control games. Teaff believes he could have just such a picket line. "We have the quality of athletes to be good on defense, maybe as good as we've ever been. The only question is whether or not we'll have all our best players back ready to play."

For example, 10 of the top 22 defensive players are on the comeback trail after visits to the training room. All figure prominently

Bear Facts

Basic Offense: Multiple (Power I in short yardage)

Basic Defense: 4-3

Starters Returning: 13 (7 offensive; 5 defensive; 1 punter)

Starters Lost: 11 (4 offensive; 6 defensive; 1 kicker)

Lettermen Returning: 44 (21 offensive; 23 defensive)

Lettermen Lost: 18 (10 offensive; 8 defensive)

1988 Results: 6-5; 2-5 SWC (4T)

in this fall's plans, explaining Teaff's statement about having all the best men ready to play.

The offense suffered last year when injuries hit key players in the line and backfield. The Bears had a difficult time running the ball in the heart of the season, but that should not be the case this fall as a bevy of running backs are on hand and a young offensive line shows good potential.

So deep is the running back pool Teaff says, "This could be as good a group as we've had. That's encouraging because the offense hinges on the running backs. If we can run well we will be better in everything we do. Good running backs can take some pressure off the offensive line and quarterback."

The offensive concerns center around depth on the line, at quarterback and in the receiving corps. Solid starters return at those positions, but mostly untested players must emerge when needed for depth.

The kicking game is manned by veterans who could develop into some of the conference's best.

"I like this team," Teaff summarizes. "We grew through adversity last year. We could have folded after the Arkansas game, but we came back and won our last two games

and salvaged a good year. It carried over into an excellent off-season.

"I think we'll play well. We should be in the upper division of the conference. The key will be getting through a very tough schedule with some degree of success. If we can stay healthy we have the potential to do it."

POSITION-BY-POSITION

Baylor led the nation in pass defense last year and it is not stretching the truth to say that area could be improved in 1989. The key will be the return of junior Mike Welch and senior Robert Blackmon, the best pair of safeties in college football.

Blackmon, a consensus pre-season All-American, must first clear some summer school academic hurdles before he is ready to play in the fall. And Welch, a former SWC Defensive Newcomer of the year, has yet to return to full steam after missing 1988 with a knee injury. Both are expected to have no problems by the time two-a-days begin.

Blackmon's long list of honors includes being named All-SWC strong safety the last two years. Already touted by pro scouts as one of the top 10 picks in next year's draft, he is considered a leading candidate for the Jim Thorpe Award which goes to the nation's best defensive back. His size and speed (a former state high hurdles champ) give him all the tools for greatness.

Welch was set to make a run at All-American free safety honors last year before a summer knee injury sidelined him. He was in and out of spring training, but team doctors think the extra time this summer will help the knee recover

from a scope operation performed last fall.

With Blackmon and Welch limited last spring, youngsters Trooper Taylor and Keith Caldwell made the most of the situation by having excellent showings. Strong safety Taylor won't be the biggest man on the field, but he will be the most enthusiastic. He's a hard-hitting sophomore with very good athletic ability.

Caldwell, just a redshirt freshman, may be the fastest man at Teaff's disposal. The former anchor on a national high school record setting 400-meter relay team, Caldwell has true football savvy.

Redshirt freshman Michael McFarland and incoming freshman Le'Shai Maston could receive considerable playing time as backup safeties.

A pair of juniors nailed down the starting cornerback spots last spring. Charles Bell and Malcolm Frank are two-year lettermen with fine athletic skills. Teaff says if Bell continues to develop he could be one of the best he's ever coached. Frank, who had a good spring despite a broken hand, might fit into the same category before he's through.

Plenty of cornerback depth dots the roster. Junior Frankie Smith and sophomore Fred Robertson are listed as No. 2s. Smith must come back from arthroscopic knee surgery, but should be fine. He was having a great spring before the injury. Robertson had a solid spring as well.

Junior Farias Walker adds solid depth to the backfield as does Clifford Ellison. Ellison missed spring training with a knee strain after showing excellent potential his freshman season.

Linebackers

SLB:	38 James Francis, Sr-3L, 6-4, 250
	61 Lee Bruderer, Fr-Sq, 6-1, 223
	87 Danny Servance, Jr-Sq, 6-0, 209
MLB:	42 Gary Joe Kinne, Sr-3L, 5-11, 225
	55 Gary Hays, Sr-3L, 6-1, 211
	46 Ronald Grimes, Frosh, 6-2, 195
WLB:	10 Daniel Morgan, Jr-2L, 5-10, 198
	99 Curtis Hafford, So-1L, 6-0, 190
	47 Brian Hand, Jr-1L, 6-4, 185

Anyone who has seen James Francis play the last three years knows he is one of the

best linebackers in the SWC. Anybody who saw him last spring knows he is now among the nation's best.

A pre-season All-American who will make a strong run at the Butkus Award as college football's top linebacker, Francis is poised for greatness. After deciding not to play basketball last season (he was the sixth man on an NCAA Tournament team in 1988) he spent more time in the weight room preparing for spring training.

The result is 250 lbs. on a 6-4 frame to go with worlds of pure athletic ability. One 1990 NFL draft preview rates Francis as the fourth player in the nation at any position. This spring Francis moved from weakside to strongside linebacker, a switch designed to put him in the middle of the fray more often.

With all the attention focused on Francis it may be easy to overlook middle linebacker Gary Joe Kinne. Doing so would be a mistake. Teaff calls Kinne the "heart and soul" of the defense. "He's the one who allows us to play the kind of defense we like to play. He's the respected leader."

On his way to All-SWC honors last year, Kinne led the Bear statistical charts with 111 tackles and four interceptions. He is nothing but solid in the middle.

Daniel Morgan moved from the defensive secondary to weakside linebacker and had a great spring. He is part of a trend toward faster, lighter defensive players.

Good depth is on hand with senior Gary Hays in the middle, Curtis Hafford, a sophomore at weakside, and Lee Bruderer, a redshirt freshman at strongside.

Also entering into the picture at linebacker could be John Godfrey. A junior, Godfrey missed much of spring training with a knee problem. But coaches know he could be an outstanding linebacker or end.

A quick look at the defensive ends does not reveal an abundance of experience, but Teaff believes the men in those positions are highly talented.

A good example is sophomore Robin Jones. Moved to end from outside linebacker, Jones is not a household name. But he could be soon. A tremendous amount of work on his part has made him another star in a long line of great Baylor ends.

Yerritt Long is another transfer from linebacker to end. A defensive back in junior college, Long is coming into his own closer to the action. Darrin Franklin is a senior long on experience. He provides outstanding depth. Redshirt freshman Rodney Bonner should have a bright future with continued work. John Godfrey could also play end or linebacker and be a quality starter at either position.

Santana Dotson could well be the SWC's next great defensive tackle. Named the league's Defensive Newcomer of the Year as a redshirt freshman end, he has been moved to tackle where his athleticism is expected to shine. Playing next to Dotson will be Reggie Howard, another former end. He is a very solid player.

The line is expected to receive a boost next fall with the return of Greg Oefinger. The super sophomore was on his way to an All-SWC season in 1988 before a broken leg ended his year. He should be 100 percent by the time conference play rolls around.

More than adequate depth is on hand in the persons of Marcus Moore and Michael Dillard. In contrast to some of Baylor's lighter defensive linemen, Moore is 6-3, 299 and Dillard is 6-2, 303. Both move well. Dwayne Phorne is a sophomore tackle on the rise.

Defensive Line

- LE:** 82 Robin Jones, So-1L, 6-3, 240
97 Darrin Franklin, Sr-2L, 228
84 Steve Moseley, Fr-Sq, 6-4, 229
- RE:** 48 Yerritt Long, Sr-1L, 6-2, 219
45 Rodney Bonner, Fr-Sq, 6-4, 208
93 Albert Fontenot, Frosh, 6-4, 225
- LT:** 92 Marcus Moore, So-1L, 6-3, 299
77 Santana Dotson, So-1L, 6-5, 260
90 Greg Oefinger, Jr-2L, 6-6, 258
- RT:** 81 Reggie Howard, Jr-2L, 6-3, 253
94 Michael Dillard, Sr-Sq, 6-2, 303
95 Marcus Lowe, So-Tr, 6-3, 260

Running Backs

- TB:** 25 Eldwin Raphel, Jr-2L, 5-10, 170
29 Lincoln Coleman, So-Tr, 6-3, 220
5 David Mims, Fr-Sq, 5-9, 162
34 Anthony Ray, So-1L, 6-1, 222
23 Robert Strait, Frosh, 6-1, 220
- FB:** 24 Jeff Murray, Sr-3L, 5-10, 216
26 Eric Gilstrap, Sr-2L, 5-11, 213
39 Ron Needham, Sr-Sq, 6-0, 222

Teaff says his 1989 running back crop could compare favorably to the 1983 group featuring Alfred Anderson and Allen Rice. That's quite a statement considering both are still playing professional football.

Diversity is what makes this year's running backs so interesting.

For great speed at the tailback spot there is Eldwin Raphel, a second-team All-SWC pick of a year ago. Despite missing several games with a sore ankle, he led Baylor in rushing with 583 yards and an outstanding 4.9 yards a snap.

Notre Dame transfer Lincoln Coleman was the talk of spring training with his ability to run over or around people. Even at 6-3, 220, Coleman has good moves and cuts to the hole well.

The waterbug of the tailbacks is redshirt freshman David Mims (5-9, 162). He can accelerate and slip through a crease as well as any back Baylor has had in a long time. He could also be used to return kickoffs and punts. Coleman and Mims were voted the Most Improved Offensive Players of spring training.

Anthony Ray had a good early spring but experienced more knee problems before the session was through. He is expected to be back in the fall, continuing the steady progress he's shown after three knee operations.

Jeff Murray and Eric Gilstrap provide solid play from the fullback position. Both block and catch the ball out of the backfield well and both have significant game experience. With Murray at 5-10, 216, and Gilstrap at 5-1, 213, Baylor has a good pair of fullbacks.

Someone to watch this fall will be freshman Robert Strait, the most highly touted recruit in Baylor history. Everybody's top-rated high school running back last year, Strait, at 6-1, 220, will make an impact some day. It's just a matter of when.

Quarterbacks

16 Brad Goebel, Jr-2L, 6-3, 193
18 Ed Lovell, Sr-1L, 5-11, 186
12 Ricky Vestal, So-Sq, 6-3, 204
27 Steve Needham, Fr-Sq, 6-0, 172

Brad Goebel looked better last spring than at any other time in his career. And considering he was All-SWC and conference Newcomer of the Year in 1988, that is saying a lot. Although just a junior, Goebel could own virtually every Baylor passing record before this season is in the record book.

Teaff expects Baylor's improved running

game to take some pressure off Goebel. A more mature, knowledgeable Goebel, not forced to worry about things beyond his control, should be a driving force for Baylor's offense.

Good quarterback depth rests in the hands of senior Ed Lovell and sophomore Ricky Vestal. Both have played and played well. Redshirt freshman Steve Needham could be a factor in running Baylor's short-yardage offense.

Receivers

TE: 80 Steve Stutsman, So-1L, 6-4, 222
88 Alonzo Pierce, So-1L, 6-1, 213
91 Robert Wagner, Fr-Sq, 6-5, 223
SE: 11 Greg Anderson, Jr-2L, 5-10, 164
83 Melvin Bonner, Fr-Sq, 6-3, 191
14 Jeff Ireland, So-1L, 5-8, 175
FL: 17 David Frost, Jr-1L, 6-0, 174
19 Reggie Miller, Fr-Sq, 5-9, 148
7 Bobby Jack Goforth, Sr-3L, 5-9, 166

A pair of sophomores who catch the ball well man the tight end spot. Steve Stutsman (6-4, 222) and Alonzo Pierce (6-1, 213) have excellent speed and good hands. Teaff says both have room to improve in their blocking ability. As Teaff likes to have four tight ends ready to play, depth is a problem.

The loss of Bobby Jack Goforth, Baylor's leading returning receiver, during spring training hurt the receiving corps. Goforth could return by mid-season, but until he does, the job of catching passes falls into the hands of four players with three letters between them.

Greg Anderson, a potential standout, will have to carry a big load. He's 5-10, 164 and possesses good speed and hands. He will have a huge opportunity this fall to come through in his junior season. Sophomore David Frost is a good athlete playing flanker. He, like Anderson, has the opportunity to step forward in a big way.

Redshirt freshmen man the backup slots. Melvin Bonner has great athletic ability and just needs to become a polished pass catcher. Reggie Miller is a converted defensive back who is also a good athlete needing to put the finishing touches on receiving skills.

Mark Bass had a good spring after moving to center from tackle. A junior with two letters, he's got the experience, and at 6-4, 274, he possesses good size and strength

as well. A second-team All-SWC pick at tackle last year, he could develop into one of the SWC's best centers.

Offensive Line

- LT:** 79 Gary Camp, Sr-1L, 6-4, 258
60 Mark McMillon, Jr-Sq, 6-5, 280
71 Will Ross, Fr-Sq, 6-5, 268
- LG:** 72 John Turnpaugh, So-1L, 6-2, 332
58 Stacey McGrew, So-Sq, 6-2, 283
63 James Warren, Fr-Sq, 6-2, 281
- C:** 67 Mark Bass, Jr-2L, 6-4, 274
50 Scott McCool, Sr-3L, 6-5, 260
57 Brian Panacek, Fr-Sq, 6-3, 234
- RG:** 65 Terry Gray, Sr-1L, 6-1, 270
59 Monte Jones, So-1L, 6-2, 297
51 Scott Beahren, So-Tr, 6-1, 253
- RT:** 78 Larry Vasbinder, Sr-2L, 6-5, 276
68 Jeff DeLoach, Fr-Sq, 6-5, 254
54 Matt Gantt, So-Sq, 6-3, 261

The guard spots are well manned by a trio of veterans. John Turnpaugh (6-2, 332) and Monte Jones (6-2, 297) made second-team All-SWC last year. They have the talent to be outstanding. Another solid

guard is Terry Gray (6-1, 270) who came out of spring training rated slightly ahead of Jones at one guard spot.

The starting tackles will be a key. Gary Camp (6-4, 258), a sophomore, and Larry Vasbinder (6-5, 276), a senior, had good springs. Mark McMillon (6-5, 280) is a junior squadman who would probably be the first to back up either position.

Sophomore Stacey McGrew (6-2, 283) provides more depth at guard as do Jeff DeLoach (6-5, 254), Matt Gantt (6-3, 261) and Will Ross (6-5, 268) at tackle. None have lettered. Scott McCool (6-5, 260) provides good center depth. He's handled the deep snapping chores for two years, doing a fine job in that department.

Kickers—Jeff Ireland was born to boot placekicks without a tee. He had an excellent spring both in terms of range of field goals and consistency from all over the field.

Pete Rutter has been among the league's better punters a couple of years and could well be the best this season.

Grant Teaff

Head Football Coach

Seventeen years at Baylor and 26 as head coach have proven Grant Teaff is one of the nation's top coaches running one of college football's most solid programs.

Only two coaches—Penn State's Joe Paterno and Michigan's Bo Schembechler—have served their respective schools longer than Teaff.

Teaff has the fourth-most Southwest Conference wins in history (65) and the seventh-most wins (102) by an SWC coach. Teaff is the nation's tenth-ranked active coach for total career wins (142) and is ranked 20th nationally for winning percentage (.521).

And, as if the numbers are not impressive enough, Teaff has been named SWC Coach of the Year six times and national coach of the year once.

That Teaff has achieved such success at Baylor is nothing short of incredible.

In 1972 he took over a Baylor program some experts said should drop out of the SWC. The Bears' 20th head coach inherited a team with a dismal 3-28 record the three years before he arrived. But worse than the on-field performance was the losing image the program held.

Teaff immediately went to work instilling a winning attitude in Bear faithful throughout Texas and it spilled over onto the football field. Teaff's first squad went 5-6 and came very close to earning a bowl bid. Only 13 points kept them from post-season play.

The Snyder native won SWC Coach of the Year honors in 1972 and repeated it two years later when Baylor produced "The Miracle on the Brazos," Baylor's first conference title in 50 years and first ever appearance in the Cotton Bowl. Teaff won National Coach of the Year honors that year as well.

That season broke the ice and convinced the world Baylor could not only compete with the Southwest Conference, but with any team in college football.

Since then the Bears have made a fairly regular habit of making a run at the conference title and earning a spot in a post-season bowl. In 1979 Teaff took a team picked near the bottom of the SWC

and finished with an 8-4 record and Peach Bowl victory over Clemson. Again, Teaff was named Coach of the Year.

The 1980 Bears were picked to finish sixth in the SWC, but instead finished sixth nationally with a 10-1 record. The Bears went 8-0 in the league and took the championship by a record three games. Also, the Bears broke 28 school records and led the conference in both offense and defense.

Teaff was again named Coach of the Year.

The 1983 season was another in which Teaff's Bears stunned the SWC. Picked eighth in the pre-season polls, suffering an incredible string of injuries and playing out of revamped offensive and defensive formations with a virtually new coaching staff, Teaff put together a seven-win season and won another Coach of the Year Award.

In 1985 the Bears were picked eighth in the SWC. But Teaff's crew won nine games and set a number of school records. Baylor's only three losses that year were to Top 20 teams on the road.

Only a gut-wrenching 17-10 loss to Texas in Austin kept the Bears from getting another conference championship ring and taking another trip to the Cotton Bowl. Instead, Baylor soundly defeated

LSU in the Liberty Bowl. After the season Teaff was given his sixth Coach of the Year Award.

In 1986 Baylor proved '85 was no fluke. They finished the season 9-3 and boasted offensive and defensive squads ranked near the top of the NCAA statistics.

Only a 31-30 loss to Texas A&M in College Station kept Baylor from winning the conference and going to another Cotton Bowl. Instead the Bears won the Blue-bonnet Bowl 21-9 over Big Eight runner-up Colorado.

The 1987 Bears put together a third straight winning season, going 6-5 and coming within one play of heading to a bowl game.

In 1988 Baylor defeated Texas for the seventh time in eight tries in Waco to successfully complete their fourth winning season in as many years with a 6-5 record.

In addition to producing winning football teams, Teaff has become recognized as one of college football's great statesmen. He helps shape the game as a member of the NCAA Rules Committee. He is also chairman of the American Football Coaches Association ethics committee.

With a 102-86-5 record, Teaff is Baylor's all-time winningest coach. His conference record is 65-62-3, and his overall coaching slate is 144-132-7. Since 1979 Teaff's Bears are 69-41-2.

Teaff has coached ten post-season all-star games, the East-West Shrine Game three times, the Blue-Gray Game three times, the Hula Bowl twice (including 1988), and the All-American Game and the Japan Bowl once each.

Teaff played two years of junior college football at San Angelo College and was an All-Texas Conference linebacker at McMurry College in Abilene. He was a multi-sports letterman at Snyder High School in West Texas. He captained teams at all three levels.

Teaff entered the coaching field at Lubbock High as an assistant coach. His alma mater, McMurry, then called him and he took the job as the nation's youngest head football coach. After a successful stay he went to Texas Tech as recruiting coordinator and assistant football coach. His next move was to

Angelo State where, in three years, he posted a 19-11 mark, including a 7-3 record in 1971.

In 1972 he was called to Baylor to begin the challenge of his life. Bear football hasn't been the same since.

Teaff's coaching philosophy places emphasis on personal development of the individual athlete and motivation to gain maximum performance. He has coached 13 Baylor players to first team, All-American status and dozens more to All-SWC honors.

Nine of Teaff's former assistants have gone on to become head football coaches somewhere on the college level. Eddie Williamson took over the reigns at VMI and Joe Broeker became the head coach at Willamete. John O'Hara took the head job at Southwest Texas State, Bill Hicks became the head coach and athletic director at Howard Payne and Corky Nelson was appointed at North Texas State.

Dal Shealy (Richmond), Bill Yung (West Texas State, UT-El Paso), Ron Harms (Texas A&I), and Pat Culpepper (Northern Illinois) left earlier after training under Teaff.

Teaff is highly regarded for his speaking ability and is one of the nation's most sought-after speakers. He is recognized widely for his speeches on motivation to reach one's full potential. Teaff is one of the country's top football clinic speakers as well. He's active in the Fellowship of Christian Athletes, and has served on its board of directors. He is currently a member of the NCAA Football Rules Committee and is a trustee of the American Football Coaches Association.

In ceremonies at 1986 Homecoming, Teaff was awarded the Alumnus Honoris Causa for distinguished service to Baylor University. The award is given only to "a fraction of one percent" of those associated with the University.

In 1987, he was given the highest honor bestowed by the Texas High School Coaches Association, the Distinguished Service Award.

Teaff and his wife, Donell, a former Texas Tech cheerleader, have three daughters. Tammy, Tracy and Layne are all Baylor graduates. The Teaffs also have one grandchild.

Grant Teaff on the SWC

"I think we've turned things around in the Southwest Conference. The coaches we have now have strong ties to the league. They all have experience in the league as players and coaches. They believe in the Southwest Conference, in what it has been and what it can be.

"We're working to rebuild the strength and image of the conference. We want to get back to the top and do it with integrity. We want to be the prototype of a strong conference that goes by the rules.

"There have been a lot of negatives, but we're overcoming them now. We are in 100 percent compliance with the rules. We are dotting every "i" and crossing every "t" of the rules. We've accomplished a lot in the past year. We've turned the tide of players who were leaving the state. We made a big, big turn last year.

"The conference schools are cooperating and working together. We've virtually eliminated negative recruiting. The video we did had an impact. The basic message from each coach is, 'If you don't go to my school, stay in the conference.' We're recruiting for the conference, not just individual schools. We are unified and as a result we are retaining the quality players.

"We're the nation's leader in the area of preventing steroid use. We have mandatory conference testing. We have tested and penalized offenders. I believe we are as drug free as a league can be. I feel confident when we line up against somebody from the Southwest Conference we will be playing a team that has prepared legally like we have. This is an important aspect of our rebuilding process. The program is working.

"I think our future is very bright. We were a good league last year. We'll be stronger this year and in 1990 we'll be right back at the top in terms of overall balance and strength.

"I see a new age dawning in the Southwest Conference and I'm very proud to be a part of it."

Cotton Davidson

Assistant Head Coach

Quarterbacks and Receivers

Cotton Davidson, a member of the Baylor Athletic Hall of Fame, is beginning his seventh season as Baylor's assistant head coach and 18th year as a member of Grant Teaff's BU staff.

Davidson, who came to Baylor in 1972 when Teaff became head coach, has playing and coaching experience at every level of football.

Davidson was born November 30, 1931, in Gatesville where he still resides and ranches. He was a multi-sport star there before graduating in 1949.

Davidson, 57, earned three football and two baseball letters from 1951-53 at Baylor. He lettered at safety on Baylor's 8-2-1 Orange Bowl team and played backup quarterback to All-American Larry Isbell in 1951. He started at quarterback in 1952-53, completing 127 of 312 passes for 1,871 yards and 11 TDs. He was named All-Southwest Conference his senior year.

After his senior season, Davidson played in the East-West Shrine Classic, where he was a team co-captain, and in the College All-Star game in Chicago. Davidson graduated from Baylor in 1943 with a B.S. in physical education.

Drafted No. 1 by the Baltimore Colts, Davidson started three games as a rookie in 1954. In 1959, Davidson quit pro football and followed coach John Bridgers to Baylor to help install the Colts' famed offense.

With the formation of the American Football League in 1960, Davidson joined the Dallas Texans. He started two years and was named to the AFL All-Star team. He won AFL All-Star Game MVP honors in 1961 after tossing four touchdown passes.

From 1962-70, Davidson played for the Oakland Raiders and while there participated in the 1968 Super Bowl. During his career, Cotton played for such legendary coaches as Hank Stram, Weeb Eubank and current Raider owner Al Davis.

Davidson, who still has close ties to the NFL, rejected an offer to become the offensive backfield coach at Oakland when Teaff called in 1972. Since then he has tutored All-Southwest Conference quarterbacks Neal Jeffrey, Jay Jeffrey, Tom Muecke, Cody Carlson and Brad Goebel. All-SWC receivers Charles Dancer, Gerald McNeil, Bruce Davis and Matt Clark all blossomed under Davidson's tutelage.

Baylor's passing attack has gained over 2,000 yards every year since 1983. That year Cody Carlson and Tom Muecke combined for 2,468 yards passing and in 1986, the Bears broke that mark with 2,577 passing yards.

Cotton married Carolyn Mabery on June 5, 1954, in Breckenridge, and the couple has four children and six grandchildren. Sons Tommy and Ty and daughters Kelly Wood and Tracy Sage are all Baylor graduates. Tommy was an outstanding wide receiver for the Bears from 1975-77 and was named to Baylor's All-Decade Team of the '70s. In his spare time, Cotton enjoys a little hunting and fishing.

F. A. Dry

Offensive Coordinator

Beginning his second season as Baylor offensive coordinator is F. A. Dry, who begins his sixth year on grant Teaff's staff. Dry became the offensive coordinator when Duke Christian left Baylor for an assistant's position at Tulane. Previously the Bears' offensive line coach, Dry will continue to focus on Baylor's offensive front in addition to his new expanded duties.

Dry, who joined the Bear staff in April of 1984, should know what it takes to produce outstanding linemen. He was an All-American center himself at Oklahoma A&M and has coached offensive linemen at every level of football.

A native of Fairland, Oklahoma, Dry earned 11 letters and was All-State in football before enrolling at Oklahoma State. After winning All-Conference and All-American honors there he received his bachelor's degree in 1953. He later earned his master's at OSU.

After serving in the U.S. Army, Dry coached in the high school ranks for five years before joining Glenn Dobbs' staff at the University of Tulsa as offensive line coach. Dry became TU's offensive coordinator in 1964 and the Golden Hurricanes responded by going 9-2 and 8-3 the following seasons. They made Bluebonnet Bowl appearances both years.

TU's 1964 team led the nation in total offense, passing and scoring while the 1965 squad led the country in total offense and scoring.

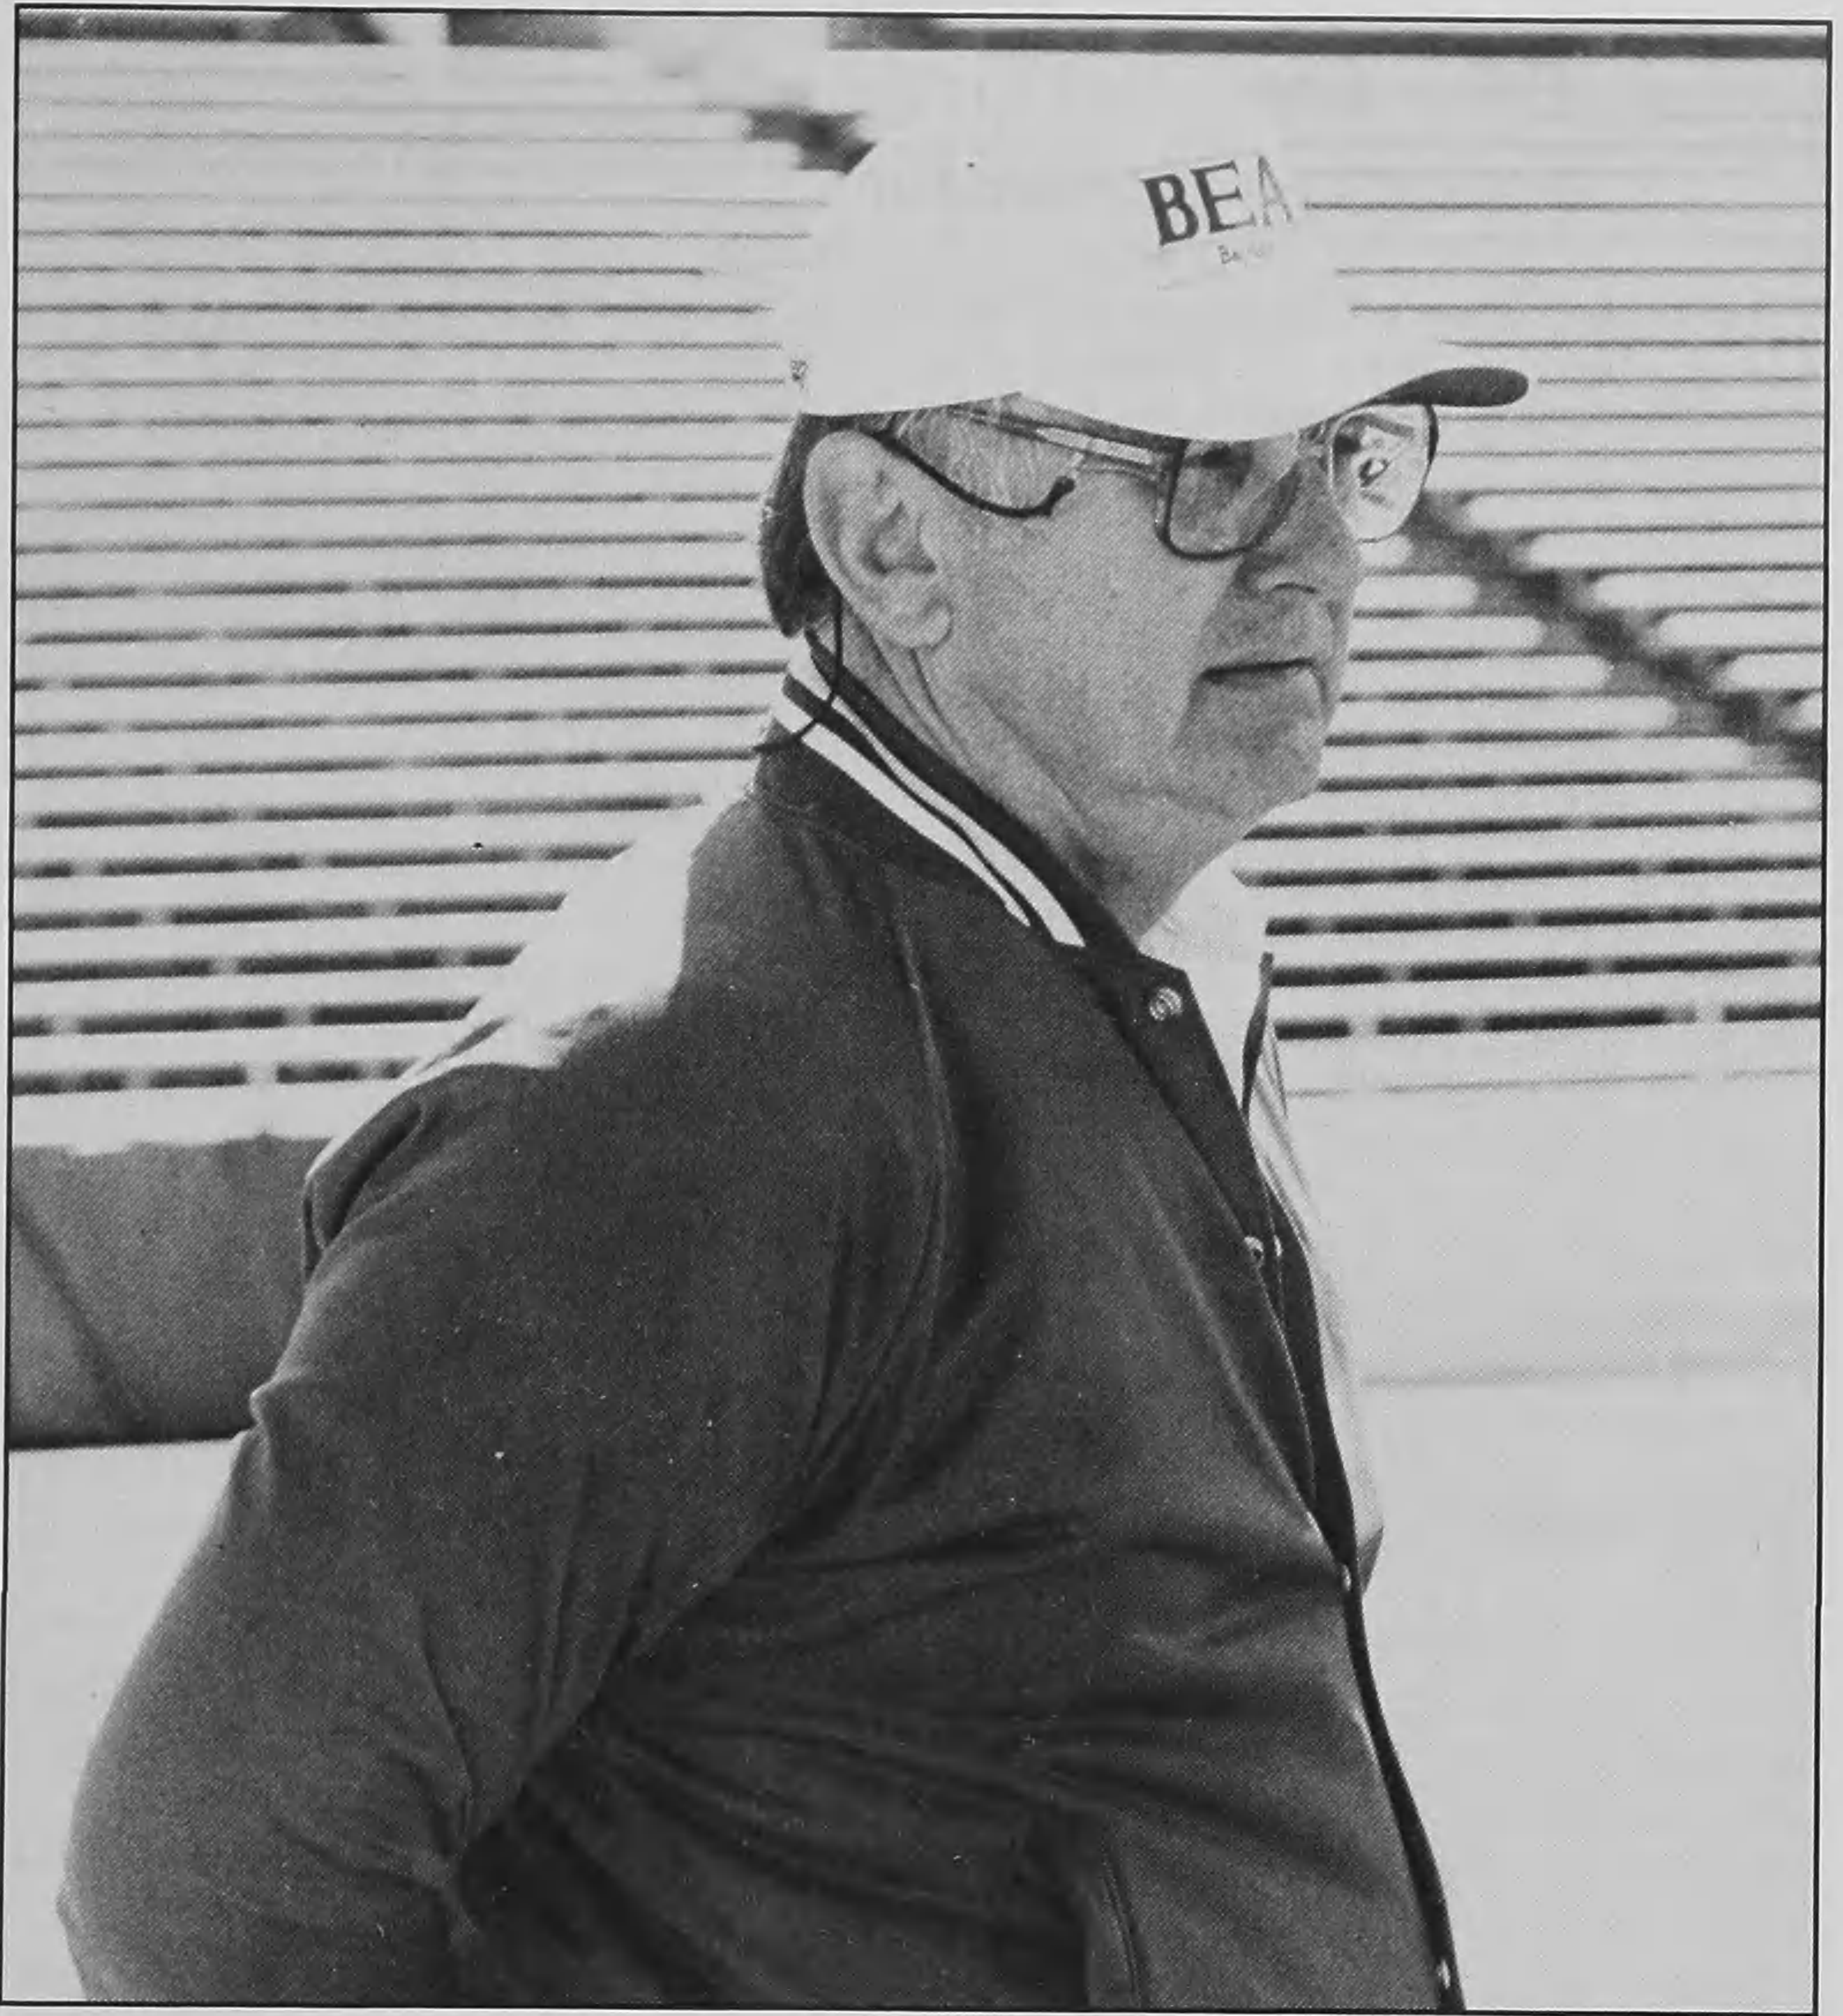

Dry left Tulsa in 1966 to become offensive line coach of the Houston Oilers. He was on the coaching staff that led the Oilers to the American Football League Eastern Division championship.

Dry went back to Tulsa as head coach midway through the 1972 season and later was elevated to the position of head football coach and athletic director. Starting with the 1973 campaign, the Golden Hurricanes reeled off four straight Missouri Valley Conference titles under Dry. TU was 6-5 in 1973, followed by 8-3, 7-4 and 7-4-1 seasons. He was named MVC Coach of the Year three times while compiling a record of 31-18-1 at Tulsa.

Dry moved to TCU in 1977 and was the head man in Fort Worth through 1982. He entered private business after leaving TCU, but came to Baylor when former line coach Eddie Williamson left to join Vince Dooley's staff at Georgia.

At Baylor, Dry, 58, has coached four All-Southwest Conference offensive linemen.

Dry and his wife, Jan, have three children. Diane is a Tulsa graduate while Mike was a football letterman at TCU. The youngest is Becky, a Baylor student. The Drys also have three grandchildren.

Pete Fredenburg

Defensive Coordinator

Entering his seventh season as Baylor's defensive coordinator, Pete Fredenburg has established himself as one of the Southwest Conference's premiere assistant coaches.

With Fredenburg at the helm, the Bears have boasted defenses that have been ranked among the nation's best against both the pass and run. The 1984 Bears were 10th in the nation against the run while 1985's pass defense finished third nationally. In 1986, Baylor ranked third nationally in total defense and sixth in rushing defense. Last year, the Baylor defense led the nation in pass defense at 117.8 yards a game and his total defense was ranked fifth in the nation at 257.7 yards a game.

Fredenburg, 43, joined the Baylor staff in 1980 as a part-time defensive end coach. He went full-time and took over defensive line duties in 1981 when Bill Hicks left to become Howard Payne's head coach. When Billy Mills left the Baylor defensive coordinator position after the '82 season, Fredenburg replaced him.

Born September 15, 1946, at Lubbock, Fredenburg was raised in Clifton, where he earned All-District honors in four sports. After graduating from Clifton High School in 1965, he went to Southwest Texas State in San Marcos.

Fredenburg earned three letters at SWTS and was a two-year starter at a linebacker spot. The 1967 Bobcat team, coached by Bill Miller, was nationally ranked. Fredenburg graduated with honors in 1970 and earned a master's at SWTS in 1977.

Fredenburg entered the coaching field at New Braunfels Canyon High in 1970. A year later he moved to New Braunfels High as defensive coordinator. While on the staff there, the Unicorns compiled a record of 40-23 and finished second in the district twice, won district once, reaching the state quarterfinals.

Fredenburg became the Giddings' head coach in 1977. In two years there his teams went 12-8 and finished second in the district twice.

Since becoming a Baylor staff member, Fredenburg has coached All-Southwest Conference performers Charles Benson, Max McGeary, Steve Grumbine, Derek Turner and Kevin Marsh. Benson also earned All-American honors.

John Goodner

Linebackers

The 1988 Baylor defense ranked fifth in the nation in yards allowed per game at 257.7 and part of the credit for this accomplishment goes to play of the Bear linebackers, led by coach John Goodner.

Entering his eighth year as Bear linebacker coach, Goodner has tutored several outstanding pupils, including All-Southwest Conference performers Kevin Hancock, Ray Berry, James Francis and Gary Joe Kinne, and also standouts Robert Watters, Aaron Grant and Alan Jamison.

Goodner joined the Bear staff July 15, 1982, replacing linebacker coach Corky Nelson, who moved on to the top spot at North Texas.

Goodner, 45, was a successful veteran high school coach in Texas before joining the Bear staff, but his roots go back to his native state of Oklahoma. Goodner was born February 26, 1944, in Snyder, Oklahoma and grew up to be a star high school athlete in Frederick.

He graduated from Frederick High School in 1961 after earning nine letters in football, basketball and track. Playing quarterback and linebacker, Goodner was an All-State selection in 1960.

He then went on to letter three years, 1964-66, for coach Otis Delaporte at Southwestern Oklahoma State in Weatherford. In 1966, Goodner was chosen as an All-Conference linebacker. He earned his bachelor's and master's degrees from Southwestern State in 1967 and 1973, respectively.

Goodner's first coaching job was at Noble High School. His team went 6-4 that season. In 1973 John moved to Denison High School as head coach. He put together a 14-15-1 slate at Denison.

In 1976 he moved to Waxahachie and led the school to two district titles in his six years there. His overall record with the Indians was 35-26-1. While at Waxahachie, Goodner coached three players who went on to be Baylor Bears: Glenn Pruitt, Broderick Sargent and Buzzy Sawyer.

Goodner and his wife, Karen, were married on June 30, 1967, in Frederick. The couple has one daughter, Katherine, a Baylor student.

Robert James

Defensive Ends

Robert James has distinguished himself by coaching at least one All-Southwest Conference defensive end four of the six years he has been at Baylor.

James joined the Baylor staff in July, 1983, and that season end Ervin Randle won All-Conference honors. The next year Derek Turner and Randle were named to the elite squad, and Turner added his name to the list again in 1985. It was Kevin Marsh who made All-SWC in 1986.

James came to Baylor after leading Gainesville to three consecutive state play-off appearances. Prior to that he held head coaching positions at Lamesa and San Antonio MacArthur.

Overall, James put together a record of 103-37-4 as a high school head coach.

James lettered three years in football and two in track at Snyder High School. He graduated from Snyder in 1957 after earning All-District honors for coach John Conley, who went on to become the athletic director at Texas Tech.

He then went to McMurry where he earned three letters playing for his current boss, Grant Teaff. Before graduating in 1961, James earned All-Texas honors as an offensive and defensive tackle.

The 51-year-old James started his coaching career at Abilene's Jefferson Junior High in 1961. Following that he was an assistant at Winters in 1962 and '63 and Temple in 1964.

He took his first head job at Lamesa in 1965 and remained there until 1974. In 1972 James guided the Golden Tornadoes to a district title. The following year his squad reached the Class AAA state semi-finals.

He spent the 1975-77 seasons at San Antonio MacArthur. The Brahmas were regional finalists in 1975. That same year, James served on the board of directors of the Texas High School Coaches Association.

Rick Smith

Secondary

Rick Smith has made his mark in only two years as Baylor's secondary coach after coming to Waco from the University of Alabama.

In 1987 and 1988, Robert Blackmon was a consensus first team All-Southwest Conference safety. This season Blackmon is a consensus pre-season All-American and a nominee for the Jim Thorpe Award as the best defensive back in college football.

The Baylor secondary in 1988 was the top unit in the nation, allowing only 117.8 yards a game and a completion percentage of only 40.9 a contest. That came despite injuries to two starting players.

At Alabama, Smith, 41, coached the third-ranked secondary in the Southeastern Conference. The Crimson Tide went 10-3 and finished the season with a convincing Sun Bowl win over Washington in 1986.

Prior to his one-year stint under Ray Perkins at Alabama, Smith spent four years coaching the defensive backs at Georgia Tech under head coach Bill Curry. Before going to Georgia Tech, he was athletic director and head football coach at Marianna (Fla.) High School from 1979 to 1982.

He began his coaching career at Godbey High School in Tallahassee, Fla., in 1970, where he spent three seasons. Then he took the position of athletic director and head coach at Wakulla (Fla.) High School in 1973.

From there Smith spent the 1977 season at Georgia Tech as head junior varsity coach. He then went to become an assistant coach at East Tennessee State.

Smith received his bachelor's degree in Physical Education from Florida State in 1971. While there he played four years of football and two of baseball. He was drafted by the Pittsburgh Pirates following his college career.

Smith is married to the former Barbara Reddick and they have three children, Beth, Steve, and Billy.

Since taking over the offensive backfield in 1979, he's had three pupils chosen best at their position in the conference—Walter Abercrombie, Dennis Gentry and Alfred Anderson.

Turner, 54, was born August 6, 1935, in Brady. He graduated from Brady High in 1953 after lettering in football, basketball and track. Turner was chosen All-District halfback his senior year.

The following fall Turner enrolled at San Angelo Junior College and played for Max Bumgardner. He was an All-Conference and Honorable Mention All-American performer at San Angelo before transferring to Stephen F. Austin. Turner, a member of Who's Who in American Colleges and Universities, earned his bachelor's degree from SFA in 1958 and received his master's one year later from the same university.

From 1959-1964, Turner served as defensive backfield coach at San Angelo JC. When San Angelo became a four-year school in 1964, Turner remained on the staff and continued to coach the secondary until 1971. He doubled as golf coach from 1969-1971 and led the Rams to an eighth place national finish in 1970. Turner followed Teaff to Waco in 1972.

Morgan Hout is in his first year as a volunteer Assistant coach after a highly successful stint as the head coach at Liberty University in Lynchburg, Virginia.

Last season Hout's Liberty team went 8-3 and just missed making the NCAA Division 1AA playoffs. His Flames squad was ranked 22nd nationally and Hout was named Coach of the Year in Virginia after playing what the NCAA rated as the second toughest schedule in the country.

The three Flames losses last year were by a total of five points. They were ranked 10th nationally in turnover margin, 14th in scoring defense and 19th in the nation in scoring offense.

Prior to taking the head job at Liberty Hout was an assistant at Maryland from 1974-79. He coached Terp receivers on teams that went to the Liberty, Gator, Cotton, Hall of Fame and Sun Bowls while winning three ACC championships.

From 1980-84 Hout coached wide receivers at Richmond under former Baylor assistant coach Dal Shealy.

—Herbert H. Reynolds—

President

A native Texan, Herbert H. Reynolds became the eleventh president of Baylor University on June 1, 1981.

From 1946 to 1952, and after entering the Air Force in 1948, Dr. Reynolds earned a Bachelor of Science degree from Trinity University. During the next four years, while serving in Air Force leadership positions in both the United States and the Far East, he completed professional studies at the University of Denver and the Air University. In 1956, he became an Assistant Professor and Teaching Fellow at Baylor, and during the next five years continued his academic pursuits by earning the Doctor of Philosophy degree in neuropsychology.

Dr. Reynolds was scheduled to join the faculty of the Air Force Academy in 1961, but he was diverted to the Aeromedical Research Laboratory at Alamogordo, New Mexico, where he became Director of Research. For the next six years he led this highly diverse and complex laboratory in unique research activities associated with the United States space program, specifically the Project Mercury, Gemini and Apollo NASA endeavors. In the midst of producing some fifty publications and maintaining flying status as an Aviation Psychologist, Dr. Reynolds also served as an adjunct graduate faculty member of both Baylor and the University of New Mexico. During his last year of Air Force duty, he was the establishing Commander of the Air Force Human Resources Research Laboratories.

In 1968, at age 38, he retired from the Air Force, having completed twenty years active duty with five decorations for meritorious service and seven other decorations/awards. The next year he returned to Baylor University as Executive Vice President, and on June 1, 1981, was named the eleventh president of Texas' oldest institution of higher learning.

During the last eight years \$100 million in additional facilities have been added at Baylor, endowment has tripled and the total net assets of the University have more than doubled. In 1986, Dr. Reynolds was named one of America's one hundred most effective chief executive officers in a study funded by the Exxon Education Foundation of the 3,400 presidents of American colleges and universities.

A trustee of the Baylor College of Medicine and the Baylor College of Dentistry, Dr. Reynolds is also vice chairman of the National Association of Independent Colleges and Universities, and a director of the First Federal Savings and Loan Association, the Community Bank and the Chamber of Commerce of Waco. In addition, he is a deacon and former deacon chairman of the First Baptist Church of Waco, a 32nd degree (KCCH) Mason, and is a member of some 40 honor and professional societies. He is listed in *Who's Who in America*, *Who's Who in the South and Southwest*, *Who's Who in Science*, *Who's Who in Education*, and he was named a Distinguished Alumnus of Baylor in 1985 and the Trinity University Distinguished Alumnus for 1989.

Dr. Reynolds and his wife, Joy, have two sons and a daughter, a daughter-in-law and a son-in-law, and two grandchildren.

Bill Menefee

Athletic Director

Overseeing the entire operation of Baylor's intercollegiate athletic program is Bill Menefee, now in his tenth year as athletic director.

Menefee, who succeeded Jack Patterson on September 1, 1980, came to Baylor in 1947 as a physical education instructor and assistant basketball coach. His Baylor Cub freshman basketball teams went 68-50 in ten seasons. The Bear varsity squad captured four Southwest Conference championships while Menefee worked as Bill Henderson's aid.

With Henderson's retirement in 1961, Menefee took over the Bear coaching reins. His first team was 4-20 and the Bears were 18-54 after Menefee's first three seasons. In 1965, the Bears vaulted to a second place finish in the SWC and a 15-9 record. Baylor enjoyed seven winning seasons over the next eight years.

Menefee won Southwest Conference Coach of the Year honors following the 1965, 1968 and 1969 campaigns. Baylor finished second in the conference each of those seasons, despite pre-season predictions that tabbed his teams for lower finishes.

Throughout Menefee's coaching career, he was regarded as an outstanding teacher. During his tenure, Baylor's tallest player stood only 6-feet-7. Menefee continuously and effectively countered this liability, usually by giving opponents fits with a tenacious full-court press.

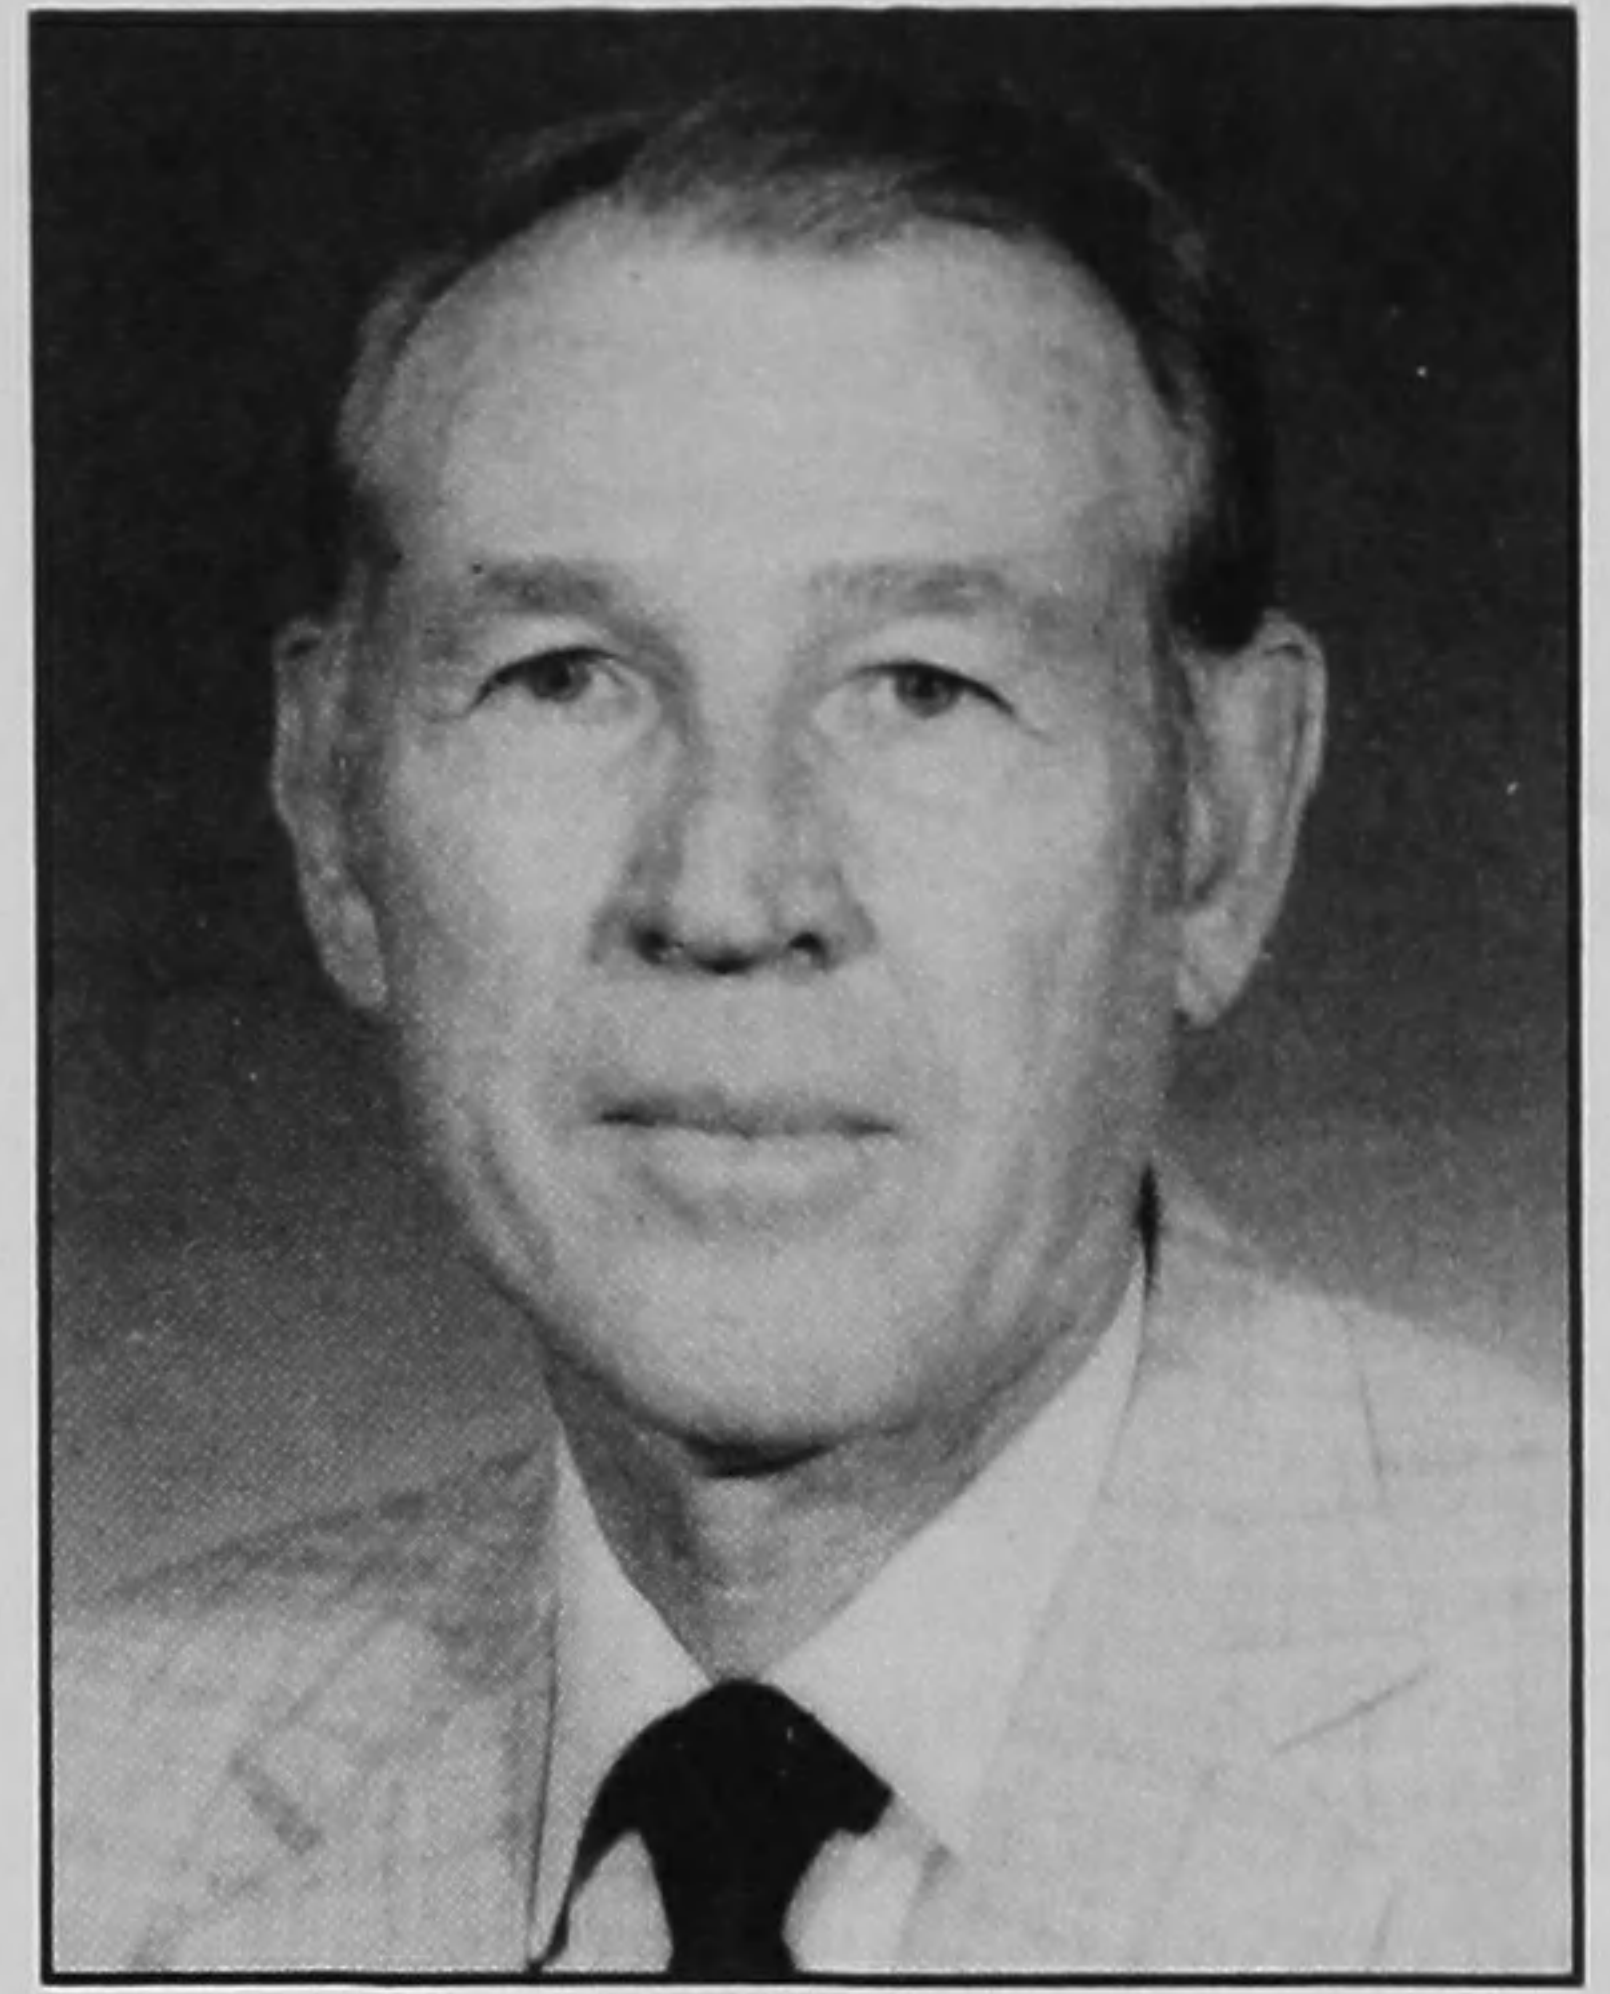

In 12 years (1961-73), Menefee coached the Bears to 149 wins and 144 losses.

Currently, Menefee is involved in helping the Baylor Athletic Department reach its goal of gaining \$25 million in Athletic endowment by 1993. His goal is to have 200 scholarships endowed over a ten-year period.

A native of Grand Falls (born July 8, 1921), Menefee earned All-American honors in 1943 at North Texas State as a forward. He served as captain of the Eagles two seasons and led NTSU to a third place finish in the NAIA National Tournament his senior year.

He is married to the former Dorothy Winford, a Dallas native, and they have two children—Pete, an attorney in Jacksonville, and Mrs. Carol Spear, a special education teacher in Waco. They have three grandchildren.

Menefee plays a mean game of tennis in his spare time and also enjoys fishing now and then.

David Guinn

Baylor Athletic Council Chairman

Baylor School of Law professor David M. Guinn is in his tenth year on the Baylor Athletic Council and his fourth year as that group's chairman. Guinn also serves as Baylor's faculty representative to the Southwest Conference.

Guinn grew up in Cleburne and graduated from high school there before entering Baylor in 1957. He finished his J.D. at Baylor in 1963 and completed work on his LL.M. at the University of Michigan in 1966.

He has been a member of the School of Law's faculty since that time and currently holds the R. W. and Louise Morrison Chair of Constitutional Law.

Guinn is a member of the Supreme Court Historical Society and the State Bar of Texas.

Marie Abel

Assistant Athletic Director

Marie Abel, who is in her 38th year of service to Baylor University, was named assistant athletic director in 1981. She is in charge of office management, travel arrangements, game-day operation and ticket sales at Baylor.

Abel has long been recognized as one of the outstanding individuals in her field. In 1981 she received the prestigious Athletic Business Manager of the Year Award from the National College Athletic Business Managers Association (CABMA). In 1982 she became the first woman president of that organization.

Abel, a native Wacoan and former Baylor student, began working for the university in 1948. She held a position in the registrar's office two years and in 1950 took a leave of absence while her husband was in the service.

She returned to Waco in 1953 and started working in the Baylor alumni office. She then took a job in the university's purchasing and budget department before joining the athletic department in 1961.

She has worked under four Baylor athletic directors since then: John Bridgers, Bill Henderson, Jack Patterson and current BU head man Bill Menefee.

Marie has four children: Jim, who resides in San Jose, California and John, an Austin businessman; Mrs. Janet DeClue, a businesswoman in Temple; and Mrs. Judy Linder of Austin. She also has four grandchildren.

T. C. (Skip) Cox

Assistant Athletic Director

Skip Cox was named assistant athletic director in October, 1984, after serving 12 years as Baylor's head trainer and equipment manager.

In his position, Cox enthusiastically handles daily business matters, oversees the budget and supervises athletic department facilities. Cox is well known in the Baylor community as a man who will get the job done, no matter how big the task.

Cox, 47, is a past president of the Southwest Athletic Trainers Association and is a current member of the National Athletic Trainers Association.

Since coming to Baylor, Cox has been instrumental in the placement of former student trainers. Mike Sims is currently Baylor's head trainer and Tom Tacker is head trainer of the Waco Independent School District.

Mike Chandler, currently the head trainer at Texas A&I, and David Chandler, Baylor's assistant trainer, also learned the ropes under Cox. There are high school trainers in every corner of the state that did their student training under his guidance.

As BU's assistant A.D. Cox was instrumental in the building of Ferrell Center, an arena noted by one publication as the best place to watch basketball in the Southwest. He is currently involved in the Floyd Casey Stadium project.

Born March 11, 1942, in Stephenville, Cox graduated in 1960 from Mineral Wells High School. In 1964, he earned his bachelor's degree from North Texas State. Cox earned his master's in 1965 from NTSU.

From 1965 to 1967, Cox was head trainer at Amarillo Palo Duro High School and later moved to Odessa High School in the same capacity. North Texas State hired him as head trainer in 1968 and he held the position through 1972.

Clyde Hart

Assistant Athletic Director Head Track Coach

Clyde Hart, who is in his 27th year serving the Baylor Athletic Department, holds the dual title of assistant athletic director and head track coach.

Hart is in charge of NCAA and Southwest Conference rules interpretations for all Baylor sports in addition to his duties heading the men's and women's track programs.

Hart has become recognized as one of the nation's best college track coaches. His 1985 squad finished third nationally both indoors and outdoors, the second highest finishes ever by any Baylor athletic team, and his 1989 indoor team finished fourth.

Included in Hart's many success stories over the years are Raymond Pierre's NCAA championship, Willie Caldwell's indoor 500-meter world record, Todd Harbour's mile run collegiate record, a 1,600-meter relay collegiate record and national championship and numerous all-time Southwest Conference best performances.

Hart has coached 54 NCAA track and field all-Americans. His relay teams have set

American, collegiate, Southwest Conference and junior world records at a variety of distances.

Hart is perhaps best known for his tutoring of 400-meter runners. Included in his list of stellar pupils in that event are eight-time all-American Mark Collins, former SWC record holder Zeke Jefferson, ten-time all-American Johnny Thomas, Caldwell and Pierre. Hart's 1,600-meter relay teams have reached the NCAA finals 15 of the last 17 years and have won the Texas Relays six of the last nine.

Hart enjoyed record-setting careers as a high school sprinter in Arkansas and college runner at Baylor. After graduating from Baylor in 1956, he returned to his native state and coached five consecutive state championship teams at Little Rock Central High School.

He returned to Baylor in 1963 and since then his charges have set every mark in the Baylor record book.

Hart has contributed greatly to the recent success of many of the United States' top international track and field performers through his work with the U.S. Olympic Committee. He is currently the head of Olympic talent development in the South and is a member of the Olympic sprint development committee.

In 1985 Hart was recognized by the Texas Sports Writers Association as the state's Senior College Spring Coach of the Year. The NCAA Track Coaches Association named Hart their 1989 National Indoor Coach of the Year and he is currently that group's president.

1988 Game-By-Game

Game No. 1 Baylor 27, Nevada-Las Vegas 3

September 3, 1988 at Waco (25,610)

Baylor's defense and special teams sparked a 27-3 win over Nevada-Las Vegas in the Bears season-opener in Waco. The Bruin defenders held the UNLV Rebels to 50 total yards offense and two first downs, a school record. Freshman field goal kicker Jeff Ireland booted true from 41, 37, 29 and 32 yards to aid the Baylor cause, while junior punt returner Bobby Jack Goforth returned eight punts for 166 yards, a 14.5 yard average.

The Bears went 58 yards in three plays on their first possession and Ireland hit his first three-pointer on the next possession to give BU a quick 10-0 advantage. UNLV came back, however, with a field goal of their own in the first quarter and cut the Baylor lead to 10-3 at intermission.

The final two quarters belonged to the Bears as they added another field goal and touchdown in the third and a pair of field goals in the final quarter. Sophomore tailback Eldwin Raphel headed the offensive effort that night with 142 yards rushing on 16 carries.

Game No. 2 Baylor 27, Kansas 14

September 10, 1988 at Lawrence (43,200)
(RAYCOM-TV)

Baylor staged a late rally, scoring 24 unanswered second half points, to pull away from fiery Kansas and take a 27-14 win in Lawrence. The win came after the Jayhawks, playing their first game under coach Glen Mason, posted a 14-3 first half advantage.

Despite moving the ball well, Baylor only had a field goal and several missed scoring opportunities in the opening two quarters. Meanwhile, Kansas employed precise crossing pass patterns to score on tosses of 23 and 58 yards. Baylor added another three-pointer in the third stanza before the tide turned.

Bruin linebackers James Francis and Gary Joe Kinne broke through on a Jayhawk field goal try with Kinne batting the ball down with 2:47 to play in the third period. Robert Blackmon pounced on the ball and returned the blocked kick 64-yards for a touchdown to reduce the Kansas lead to 14-12.

The fourth quarter belonged to Baylor as three KU drives gained 15 yards total and the Bears went 66 yards for one score and 11 yards for another late in the fourth to ice the victory.

Game No. 3 Baylor 35, Iowa State 0

September 17, 1988 at Ames (42,913)
(RAYCOM-TV)

A swarming Baylor defense allowed Iowa State only five first downs and 104 yards total offense to key a 35-0 win over the Cyclones in Ames before 42,913. Iowa State ventured into Baylor territory only twice in the entire contest with both possessions coming in the first half.

Senior fullback Charles Perry scored the Bears' first three touchdowns. Perry bulled in from the one to cap a 70-yard drive on Baylor's first possession of the game, capping a 70-yard, 10-play drive. Later in the second quarter he hit paydirt again from the one after a 78-yard, eight play march.

Baylor's three second half scoring drives were relatively short with Perry scoring another six-pointer and freshman Anthony Ray, rebounding from knee surgery, adding two touchdowns of his own in the contest.

Baylor notched its first shutout since a 1985 blanking, 45-0, of TCU in Waco. The 104 yards allowed against the Cyclones were just under the season average of 105 per game. Junior linebacker James Francis also continued to play outstanding football recording nine tackles and two quarterback sacks.

Game No. 4 Texas Tech 36, Baylor 6

September 24, 1988 at Lubbock (45,385)

Playing before an excited Texas Tech Homecoming crowd of 45,385 the Red Raiders jumped out to an early lead and never let up en route to a 36-6 Southwest Conference opening win over Baylor in Jones Stadium. Texas Tech scored three touchdowns and a field goal in its first five possessions and never looked back for a lopsided victory.

The Red Raiders gained 429 yards on a Baylor defense that had been allowing only 104.7 yards per game. Most of the damage came through the air as the home squad piled up 290 passing yards against a defense that had allowed only 67.7 a contest through the first three games of the season.

Baylor starting quarterback Brad Goebel did not play in the Texas Tech game due to a sprained ankle suffered in a mid-week practice prior to the matchup. One of the few bright spots for the Bears was junior punter Pete Rutter who had one of his best games of his career, punting six times for an average of 52 yards a kick.

Ervin Farris rushed for 75 yards and grabbed five passes for a total of 82 yards and two touchdowns to help give the Red Raiders their first victory over Baylor in four years. Tech senior quarterback Billy Joe Tolliver had possibly his best effort ever against the Bears connecting on 15 of 29 for 286 yards passing and four TD's.

Game No. 5 Houston 27, Baylor 24

October 1, 1988 at Waco (34,719)
(RAYCOM-TV)

In a game of wild momentum swings Houston held off a valiant Baylor comeback bid to prevail 27-24 before 34,719 fans at Baylor Stadium. Houston took a 7-0 first quarter lead and appeared to be on its way before the Bears responded by recovering a fumble and going 47 yards on four plays to tie the score at seven.

Houston then regained the lead with a 20-yard field goal, but Baylor answered that with an 11-play, 72-yard drive for a touchdown just before intermission. Baylor scored a safety to open the third quarter and take a 16-10 lead. But Houston roared back, scoring two more touchdowns and a field goal. Leading 27-16, the Cougars appeared to have things well in hand.

But Baylor behind the passing of Brad Goebel, drove 79-yards in 12 plays to score with under a minute to play. A two-point conversion cut the Houston advantage to 27-24, and set the stage for a wild finish. With an onside kick as Baylor's only hope, linebacker James Francis put his basketball skills to good use and recovered the ball with just 43 seconds remaining.

Baylor moved from its own 41 to the Houston 40 before a Cougar defender intercepted a Goebel pass to seal the win with just nine seconds left to play.

Game No. 6 Baylor 45, Southwest Texas 7

October 8, 1988 at Waco (22,473)

Baylor rolled up 548 yards total offense while holding Southwest Texas State to 124 en route to a 45-7 non-conference win at Baylor Stadium. The Bears controlled every aspect of a game which featured the running of tailback Anthony Ray. Ray finished with 162 yards while Baylor sophomore quarterback Brad Goebel connected on eight of 15 for 171 yards and a pair of touchdowns.

The win over Southwest Texas State gave Baylor a perfect 4-0 nonconference record, its first such unblemished slate (including bowl games) since 1976. The Bears scored on three of their first four possessions in the first half and on four of the first six in the second.

With Ray's 162 yards and another 113 rushing by James Jarmon, Baylor had two backs go over 100 yards for the first time in a game since the 1980 Arkansas tilt. In that one, Walter Abercrombie had 128 yards and Dennis Gentry notched 100.

Other random notes from the game: tight end Alonzo Pierce caught a 72-yard scoring strike from Goebel, which is the 10th longest pass play in school history . . . Coach Teaff remain undefeated against his former assistant coaches with a 5-0 record.

Game No. 7 Texas A&M 28, Baylor 14

October 15, 1988 at College Station (67,884)

Texas A&M came from behind to score 21 fourth quarter points to beat Baylor 28-14 in College Station. The Aggies took an early lead when Robert Wilson went in from two yards out to cap a 13-play, 84-yard drive. The Bears answered with two touchdown passes from Brad Goebel to Bobby Jack Goforth in the second quarter, one from seven yards out and the other from 32 out.

With the game in balance, Texas A&M had three scoring drives in the final stanza which gave the Aggies their third straight win over the Bears.

A&M tied the game with 4:29 remaining in the contest and went ahead for good with 4:12 showing in the final quarter. Texas A&M coach Jackie Sherrill then elected to add another touchdown with three seconds remaining in the game and the Aggies already leading 21-14. A&M converted four key fourth down situations late in the fourth quarter to move past the Bears.

Other notes from the game: flanker Bobby Jack Goforth caught five passes for 110 yards and two touchdowns against the Aggies in his best day as a Baylor Bear . . . senior tight end David Bell also had a solid game for the Bears that afternoon snagging four passes from Goebel for 69 yards . . . linebacker James Francis finished the day with nine tackles (with eight of them unassisted) and recovered an Aggie miscue late in the second quarter.

Game No. 8 Texas Christian 24, Baylor 14

October 22, 1988 at Fort Worth (25,221)

Baylor's comeback bid fell short and Texas Christian prevailed 24-14 for a Homecoming victory at Forth Worth's Amon G. Carter stadium. The Horned Frogs led 24-7 in the fourth quarter, but the Bears came back to score with 8:28 remaining to cut the margin to 10 points. Baylor had an excellent scoring opportunity wasted with 3:06 to play, but a perfectly thrown Ricky Vestal pass fell incomplete and Texas Chrisitian prevailed for the second straight year over the Bears.

The tough Horned Frog defense recorded five quarterback sacks and picked off six interceptions in the 94th meeting in the series. All TCU points came after Baylor had turned the ball over.

Baylor's loss to TCU was another case where a great finish could have produced a Bear win. In Baylor's four losses, only one (the Texas Tech game), were not close enough to win in the fourth quarter.

The Frogs held a 17-7 advantage at the half as TCU running back Scott Ankrom ripped off a 21-yard TD run just four minutes into the game. Frog quarterback David Rascoe followed that with a one-yard dive into the end zone while Randy Newman capped the first half TCU scoring with a 29-yard field goal with only 18 seconds showing before intermission.

One of the few bright spots for the Bears against TCU that afternoon was the punting game. Pete Rutter nailed six punts for a 43 yard average—including a 65-yard shot in the fourth quarter.

Game No. 9 Arkansas 33, Baylor 3

November 5, 1988 at Waco (40,148)

The Southwest Conference champion Arkansas Razorbacks handed Baylor a 33-3 Homecoming loss before 40,148 in the newly dubbed Floyd Casey Stadium. The Hogs used a powerful running game, highly efficient passing game and a swarming defense to snuff all Bear hopes of an upset.

The Pigs scored two touchdowns and a pair of field goals on their five first half possessions, while Baylor mustered a 28-yard field goal in the second quarter.

After a scoreless third period Baylor's hopes of a comeback were dashed with two touchdowns by the visitors from Fayetteville in the fourth quarter. Barry Foster broke loose up the middle for a 18-yard touchdown run for the Hogs with just eight minutes remaining in the contest. JuJu Harshaw also cracked the Baylor defense for a 10-yard run with 4:47 showing in the fourth.

Eldwin Raphel's 80-yard rushing performance was one of the very few bright spots offensively for the Bears against Arkansas. Linebacker Gary Joe Kinne once again anchored the Baylor defensive effort nailing down 17 tackles (13 of which were unassisted).

Arkansas did a good job of keeping the Bears bottled up to start drives. Out of 10 BU possession, the best starting field position was at the Baylor 36.

Game No. 10 Baylor 20, Rice 10

November 12, 1988 at Houston (13,200)

Rice jumped out to a quick 10-0 advantage before the Bears could regroup and come from behind to take a 20-10 Southwest Conference win in Houston's Rice Stadium.

The Owls employed a sharp passing game to jump ahead in the first quarter. But, Baylor took control in the second quarter, drawing even at 10 when quarterback Brad Goebel hit Charles Perry out of the backfield with a 20-yard scoring strike to tie the game at 10 just 23 seconds prior to halftime.

The second half was all Baylor as the Bears scored another 10 points while shutting out the Owls. Junior linebacker Gary Joe Kinne highlighted the second half Baylor scoring with a 69-yard interception return for touchdown with just 5:41 showing in the fourth quarter.

Kinne's touchdown return broke open a close game and gave the Bears their seventh straight win over the Owls in the series. Terry Syler added a 21-yard third quarter field goal for Baylor. Syler also connected on a 31-yarder earlier in the second quarter.

Eldwin Raphel rushed for 108 yards on 23 carries as the Bears rolled up 227-yards on the ground. Baylor easily bettered the Owls with 308-total yards to Rice's 184.

Game No. 11 Baylor 17, Texas 14

November 20, 1988 at Waco (30,142)

The name of the stadium was new but not Baylor's jinx over the Texas Longhorns in Waco as the Bears defeated Texas 17-14 in wind-swept Floyd Casey Stadium. Baylor has now defeated the Horns in seven of the last eight starts in Waco.

Baylor got help with breakaway runs from Eldwin Raphel, an incredible touchdown catch by Darnell Chase and a strong defensive effort late in the fourth quarter to quite a last-minute Texas rally.

Chase grabbed a 19-yard touchdown pass from Brad Goebel with just 54 seconds left in the second quarter. Chase's touchdown reception tied the game at seven. Then in the fourth quarter, with the Bears trailing by a 14-10 margin, Raphel got the ball on an option pitchout and fled 50-yards for the go-ahead touchdown with 7:46 remaining in the contest.

Raphel finished the day with 147 yards rushing on 30 carries. That was the most productive game for a Baylor rusher in conference play since Alfred Anderson ran for 167-yards against the Rice Owls in 1983.

The wind, which was officially listed by Baylor meteorologist Bubba Myers as 22 mph with gusts up to 40 mph, played a major factor in the game as near tropical storm velocity blasts hit Floyd Casey Stadium just prior to kickoff. The cold and blustery wind was so strong it literally turned kicks around in mid-air. Baylor punter Pete Rutter got a long roll and was credited with a 70-yard punt—10th longest in school history.

—SOUTHWEST ATHLETIC CONFERENCE—

This season marks the 75th anniversary of the Southwest Athletic Conference which was first organized in 1914 to address the special needs of the region's larger colleges in regards to intercollegiate athletic competition.

The need for higher academic standards for student-athletes and ethical standards for the colleges were the guidelines as representatives from seven colleges first met May 6, 1914. They founded an organization that would "enlarge and more closely relate the athletic activities of the larger institutions of the states represented." The meeting was held at the Oriental Hotel in downtown Dallas.

It was at the invitation of L. Theo Bellmont, then athletic director of The University of Texas, that the representatives from seven institutions convened in Dallas for the founding. Present for the drafting of the constitution and bylaws were C. A. Gantt and S. R. Spencer, Baylor University; J. C. Snipes, Southwestern University; John Corbett, Oklahoma A&M College; Robert J. Potts, Texas A&M College; T. W. Atkinson and J. F. Broussard, Louisiana State University; D. K. Sadler and R. J. Nelson, University of Arkansas; Dr. W. T. Mather and Bellmont, The University of Texas.

The founding fathers met for a second time at the Rice Hotel in Houston on December 8, 1914, and completed the organization. Representatives from the University of Oklahoma (Ben Owen) and Rice Institute (W. W. Watkin) were present for this meeting and their institutions became charter members along with Arkansas, Baylor, Southwestern, Oklahoma A&M, Texas A&M, and Texas. Rice was accepted provisionally.

Thus came into existence the Southwest Intercollegiate Athletic Conference, which two years later (May, 1916) was to be shortened to Southwest Athletic Conference. The league encompassed representatives of only three of the five states that were included in the original planning. LSU withdrew at the organizational meeting, while the University of Mississippi failed to follow through on early indications of interest.

Composed of eight members at the outset, the Conference functioned with as few as six (1916 and 1917), had eight members in 1920, and then had seven members for 30 years (1926-55). The admission of Texas Tech in 1956 brought the membership to eight again and the admission of the University of Houston in May, 1971 set it at the all-time high of nine.

Southwestern, Oklahoma and Phillips withdrew after brief periods and Oklahoma A&M took leave after a decade of membership. SMU joined in 1918 and TCU in 1923, last additions before Texas Tech's and Houston's admission.

Baylor Traditions

Immortal Ten

January 22, 1927. Coach Ralph Wolf was taking his first Baylor basketball team to the University of Texas for a crucial Southwest Conference game. It was raining and debris from the highway had been sprayed on the windshield of the chartered bus.

Then, at Round Rock, Texas, one of America's first athletic tragedies occurred. A speeding train from the I&GA Railroad Company rammed the side of the bus at a crossing near the center of the city. Ten of the 21 persons in the Baylor party were killed.

And each year at the Baylor Homecoming, the freshmen men hear the tragic epic of the "Immortal Ten." The hero was James Clyde "Abe" Kelly, who was captain-elect of the 1927 football team. Kelly saw the train just before impact and pushed his roommate, Weir Washman, out of the bus

window. He was credited with saving the life of his best friend at his own expense—death.

Others who died with Kelly were William Winchester, W. E. Murray, Merle Dudley, Sam Dillow, Jack Castellau, L. R. "Ivey" Foster, Bob Hailey, R. L. Hannah and James Walker.

Wesley Bradshaw, who remains in third place in Baylor football career scoring records, was seriously hurt. Gordon Barry, Joe Potter, Edgar Gooch, C. S. Bean, Keifer Stricklan (All-SWC), John Kane, Dave Cheavens (former Baylor journalism department chairman) and Coach Wolf were slightly injured. Washman and Louis Slade were unhurt.

As a result of this tragedy, the first highway overpass in Texas was constructed at Round Rock.

Bear Nickname

Baylor was founded in 1845, but it was not until 1914 that then president Samuel Palmer Brooks decided the time had come for the school to officially choose a nickname for intercollegiate athletic teams.

In December of 1914 a vote of the student body was held and "Bears" won out in a very close vote over "Buffaloes." Other nicknames nominated were "Antelopes," "Frogs" and "Ferrets."

Bobby Jones Award

Prior to each Homecoming game, the Bobby Jones Award is presented. The award is named for the former Bear quarterback from 1954-56 who helped Baylor defeat Tennessee 13-7 in the 1957 Sugar Bowl. Mrs. Rosemary Jones established the award after Jones was killed in an automobile-train wreck while a member of the Tennessee coaching staff.

The award is given to the senior player who provides the best leadership on and off the field in the week of preparation for the Homecoming game. The coaching staff votes on the award.

Bear Mascot Story

“Bears” became Baylor’s official nickname in 1914 but it wasn’t until the 1920s that a real live bear mascot became associated with the University. The first live mascot came to Baylor from the troops of the 107th Engineers, a unit of the 32nd Infantry Division, which was stationed in Waco at the time.

The bear, named Ted, was the division’s mascot. It first appeared at a Baylor-Texas A&M football game. When the unit received orders to move on, the bear was left behind in the hands of the Baylor Athletic Department. Since then, a bear has been as much a fixture at football games as players, cheerleaders and bands.

Probably the best-known mascot was Joe College, who came to Baylor through the work of former student Bill Boyd. Boyd bought the bear from a zoo that went broke while operating at the Cotton Palace in Waco. Boyd then approached Baylor’s

president, Pat Neff, and offered to take care of the bear in exchange for free tuition. Neff accepted the deal and the tradition of live bears as mascots has been virtually unbroken since.

The current bear mascots appearing at games come from Bear Country USA, a drive-through wildlife park in South Dakota. They are rotated about every two years (at the age of two and one-half) because after that point they become too hard to handle safely.

In addition to the cubs which go to games, a larger, older bear is kept at the Hudson Bear Plaza on campus. The honor of training and caring for the bears goes to the Baylor Chamber of Commerce, a men’s campus service organization.

Most bears are North American black bears, a species that seems to adapt well to humans.

“Sic ’Em Bears” and the “Bear Claw”

It was in 1960 when yell leader Bobby Schrade, who is currently Baylor’s Director of School Relations, first came up with the “Bear Claw” hand signal and “Sic ’Em Bears” yell.

Concerned that Baylor fans were simply doing yells similar to other schools, Schrade introduced the yell and coinciding hand signal which is made by slightly curving all five fingers inward to form a bear’s claw.

The initial reaction by students and faculty was mixed to say the least. In fact, the issue was a topic of hot debate among students and faculty for a number of years. Their use through the late ’60s was sporadic

at best.

In 1972, when head coach Grant Teaff came to Baylor, the use of the “Bear Claw” and yell of “Sic ’Em Bears” gained newfound popularity. Since a new era of Baylor football was initiated at that time, it was only appropriate that the customs, whose use continues stronger than ever to this day, be renewed.

In addition to being used during the yell, the “Bear Claw” is held up during the playing of Baylor’s school song, “That Good Old Baylor Line.” Football players traditionally hold up their helmets during the playing of the school song.

Ex Tex Pep Rally

The week prior to the Baylor-Texas game, the popular Ex Tex pep rally is held in Floyd Casey Stadium. The pep rally was started under the name of Hex Tex in 1960. It was the brainchild of former head coach John Bridgers, who was looking for an emotional edge for his players prior to the big game with the Longhorns. The highlight of the pep rally, which was first held in Minglewood Bowl but has since been

moved to Floyd Casey Stadium, is the lighting of candles that are formed in the stands in the shape of an upside-down Longhorn. Current head coach Grant Teaff changed the name of the rally in 1986 because he felt the Bears no longer need to invoke the special powers of a hex to beat the Longhorns.

Golden Wave Marching Band

A 28-piece regulation military band was organized in 1903 under the direction of Charles Parker. This band was a part of Baylor's ROTC unit until the end of World War I when the military division was dissolved and the organization became known as the Baylor Bear Band. In 1929, Everett McCracken was appointed director and he initiated a new era of development for the Bear Band. A highly successful ten-day tour of several Texas towns was made in new uniforms colored in gold. Critics spoke of the band as making "a golden wave

through Texas." From that day, the band has been known as the Baylor University Golden Wave Marching Band.

Women were admitted into the concert band in 1937 and in this period, the band received wide recognition both in marching and in the concert season.

This year, the Golden Wave, under the direction for the eighth year of Mike Haithcock, is marching 275 members, which includes winds and percussion, flag corps, Golden Girls and a feature twirler.

"That Good Old Baylor Line"

The alma mater of Baylor has been the rallying call to the old school's thousands of students, ex-students and friends since shortly after the turn of the 20th century.

Its present form, however, is altogether different from the original one. In fact, its title is the only thing that has remained intact through three score and 10 years of usage.

The now famous title was conceived in 1907 when a group of Baylor men, led by William B. Todd, borrowed a tune from a Broadway musical hit of 1902, a sprightly waltz number called "In the Good Old

Summertime."

The text of that first pep-generating ditty embodies a dire threat to all gridiron foes, notably those of a sister institution of that time also located in Waco—the forerunner of Texas Christian University, then called Add-Ran College. Rivalry between the two student bodies was intense, hence, the Baylor mens' threat to send their opponents home "done up in turpentine" after an encounter with formidable Baylor "line."

The words used in that first version have long been abandoned. New words were written in 1931 by Enid Eastland Markham, a 1923 Baylor graduate.

The "Nuggs"

Under the motto of "The Few, The Proud, The Nuggs," Baylor's all-important scout teamers have molded themselves into one of the more distinctive groups on campus.

The story of how the squad, whose job it is to imitate upcoming opponents' plays for the starting units, came to be called Nuggs, ranks as one of Baylor's legends.

It all started back in the mid-70s when scout teamers were outfitted in garish gold colored jerseys. The reason for the distinctive togs is hotly debated, but in all likelihood they were worn near the end of the season when normal practice jerseys were in short supply.

At any rate, the devoted group who seldom saw game action took pride in their uniforms and called themselves the "Golden Nuggets" to combat the many jokes they suffered. Later the title was shortened to "Nuggs."

To be called a "Nugg" is a great source of pride. It means that you will probably never see the light of day in an actual game, but you are giving every ounce of your ability to help the team win by preparing the starting units.

"Nuggs" proudly wear their own T-shirts and have even printed their own media guide. Each season the top scout teamers receive the "Golden Nugget Awards."

Homecoming Parade

One of the highlights of the Baylor Homecoming celebration each year is the Homecoming Parade, believed to be the largest and oldest in the nation. The first parade was held in 1909.

About 35,000 people annually line the streets to view the parade, with another

115,000 watching on local television. Approximately 115-120 parade entries, including floats, cars carrying distinguished guests, and marching bands, participate in the parade which travels about two miles to the campus.

Baylor Yell Leaders

Baylor athletic events had no organized spirit personnel until the first set of all male yell leaders was elected in 1920. A student vote to allow female yell leaders came up in 1962 but narrowly failed.

Another vote failed in 1963. Finally, in 1967 students voted to allow coeds to join the team and they first appeared during the 1968 football season.

Congressional Medals of Honor

Baylor University is believed to be the only school in America to have two former athletes go on to win the Congressional Medal of Honor. Both men, Jack Lummus and John (Killer) Kane, won the nation's highest military honor for heroics in World War II.

Lummus played football, basketball and baseball for the Bears from 1938 through 1941. He was an All-Southwest Conference center fielder before signing with the New York Giants of the National Football League.

After one year of pro football, Lummus joined the Marines and was a platoon leader in the initial days of fighting at Iwo Jima. While leading a charge on enemy positions, Lummus stepped on a land mine and lost both legs. Despite the heavy bleeding that resulted he led his platoon to knock out several pockets of Japanese fire, a vital part of the U.S. victory.

Lummus died of his wounds shortly after the battle.

President Harry S. Truman cited Lummus by saying, "By his outstanding valor, skilled tactics and tenacious perseverance in the face of overwhelming odds, First Lieutenant Lummus had inspired his stouthearted Marines to continue the relentless drive northward, thereby contributing materially to the success of his company's mission."

Kane played football and basketball at

Baylor and was a member of the ill-fated 1927 basketball team that lost ten of its members in a bus-train wreck. Kane was one of 12 survivors.

Kane joined the Army Air Corps in 1932 and soon became a bomber commander of legendary proportions. It was said he was the best pilot and toughest commander in the Air Corps. It was often debated who feared him more—the Germans or his own men.

On August 1, 1943, Kane led what at the time was the deadliest air battle in history—a low-level, long-range raid on Hitler's oil-refining complex in Ploesti, Rumania. The site produced a major part of the Axis' fuel and was one the most heavily guarded locations in history.

The Air Corps' mission was to fly B-24 Liberator bombers 1,350 miles at treetop level, under the range of enemy radar. It was a suicide mission, despite some of the most heroic flying ever done. It is remembered as the worst catastrophe in the history of the Army Air Corps.

Of the 166 planes that departed on the mission, 73 failed to return. Kane flew for over 14 hours before returning on two of four engines.

Five Medals of Honor were awarded to pilots, the most ever from a single military operation. Only Kane and one other were alive to receive theirs.

Kyle Woods Inspirational Speech

The football career of Baylor defensive back Kyle Woods came to a screeching halt before the 1979 season when Woods, going through a routine tackling drill, suffered a broken neck which left him paralyzed.

Woods showed the same determination in his rehabilitation program that he had as a football player. But it took over a year for his teammates to find out just how determined he was.

The 1980 Baylor Bears started the season 7-0 record and were ranked sixth in the nation. Then came a shocking upset at home to a San Jose State team that entered the game a 21 point underdog.

Nobody knew how the Bears would react the next week in the traditional Homecoming game against nationally ranked Arkansas. Nobody knew except Woods, who had planned to visit his old teammates before the game.

After the Bears finished their pre-game warmups, coach Grant Teaff gathered the team in the locker room and gave Woods the chance to speak.

Woods, speaking from his wheelchair, told the players how hard he had been working at rehabilitation. He told them of the pain and problems he had suffered. But through it all, he said, he had learned one thing: "No matter what happens to you, no matter how bad things might seem, you have to do one thing: you have to take a setback and turn it into a comeback!"

With that Woods showed them what kind of comeback he was making. Grasping the arms of his wheelchair he locked his arms to raise his body a few inches. Then, with the help of his brother, he stood, wobbly but erect. What followed brought shocked silence, then tears and then shouts from his teammates.

Woods took a short, shuffling step.

Inspired beyond belief, Baylor beat the highly regarded Razorbacks 42-15 and went onto finish with a 10-1 record, the Southwest Conference championship and a Cotton Bowl berth.

All because they turned a setback into a comeback.

First Consensus All-American in Southwest Conference History

The Southwest Conference is now regarded as one of the premier football leagues in the nation, but back in 1930 the idea of a player of All-American status coming from the SWC seemed preposterous—until Botchey Koch came along.

Koch played guard at a stocky 5-10 and 200 pounds and left an indelible impression on everybody who saw him play.

Since no game films exist from his day, testimony of those who witnessed him personally attest to his greatness.

"He was the greatest athlete I ever coached," said former Baylor coach and athletic director Bill Henderson, a veteran of over 40 years in college athletics.

The legendary D. X. Bible put Koch on the West squad of the East-West Shrine Game. After seeing Koch play against the best in the country, Bible said, "He's the best guard I ever saw."

The San Francisco Chronicle's report of the game said, "There were a lot of great linemen in the game, but Koch was easily the best. A steam roller could not get over him." Koch was voted the game's MVP.

Former SWC football referee Pete Cawthon called him, "An All-American all the way, both ways. Don't ever expect to see another one as good."

Amos Alonzo Stagg called Koch, "One of the great ones." "Football brilliance," said Knute Rockne. "He's far and away the best guard I ever saw play."

Paul Crume, longtime *Dallas Morning News* columnist, wrote upon Koch's death in 1964, "after reviewing my memories of Botchey Koch, I doubt that there ever was a better college lineman."

Koch is a member of the Baylor Hall of Fame, the Texas Sports Hall of Fame, the Baylor all-decade team of the 20s, the College Football Foundation Hall of Fame, the Southwest Conference 50-year All-Star Team and the All-Time All-American team picked by Grantland Rice, perhaps the greatest sportswriter who ever lived, and Harry Stuhldreher, one of Notre Dame's famed four horsemen and former head coach at Wisconsin.

Former *Waco Tribune-Herald* sports editor Jinx Tucker wrote, "He (Koch) has been accorded more national honor than any player a college or university in the state of Texas has produced, and he is deserving of that honor for he is the greatest guard the Lone Star State has ever seen, and perhaps the greatest the nation has ever known."

National Football Foundation Hall of Fame Members

BARTON "BOTCHEY" KOCH—Botchey Koch was considered by every football expert to be the greatest lineman of his era. In his senior season of 1930 he made a huge breakthrough for the Southwest Conference by becoming the league's first consensus All-American. He was elected to the Hall of Fame in 1974.

BILL GLASS—Bill Glass was everybody's All-American guard on one of Baylor's greatest teams. His senior season, 1956, he led the Bears to a 9-2 record and Sugar Bowl victory over the previously undefeated Tennessee Volunteers. He and Texas A&M's Jack Pardee, now head coach at Houston, were voted Houston Post SWC Most Valuable Players that year. He was inducted into the Hall of Fame in 1985.

JIM RAY SMITH—Jim Ray Smith won

All-American honors from his tackle spot for the Bears in 1953 and '54. His senior year the Bears went 7-4 and played Auburn in the Gator Bowl. Smith has remained active in college football, having served as president of the Cotton Bowl Athletic Association. He was inducted into the Hall of Fame in 1987.

Morley Jennings—Morley Jennings spent 15 seasons as the Bears' head coach, compiling a record of 82-60-6 from 1926-40. Nine of Jennings' BU teams had winning seasons, including the 1935 squad which went 8-3. From 1937-39 his Bears went 21-5-1. Among the great players he coached were Botchey Koch, Sam Boyd, Billy Patterson and Jack Russell. He was inducted into the Hall of Fame in 1973.

“The Worm Story”

In 1978 the Baylor football team was suffering through a disappointing 2-8 campaign, having lost the first five games by a combined total of 21 points. The season was about to end against nationally ranked Texas, and Grant Teaff knew his team had to have a mental edge.

Thus was born the famous “Worm Story.” Just before the team returned to the field for the opening kickoff Teaff told the Bears a story about two Eskimo fishermen who were out icefishing. The old veteran fisherman caught fish right and left, but the younger newcomer caught none, even though they used the same equipment and techniques.

After several hours of shivering out on the ice with no fish to show for it the young angler asked the wiser pro what his secret was. The old man then opened his mouth revealing a wad of live worms and said,

“You have to keep your worms warm!”

With that Teaff produced a live night-crawler he had purchased at a bait store just before the game. As players’ eyes widened he held it up and said, “Today men, I’m going to keep the worms warm!” He then dropped the creepy crawler in his mouth, chewed a few times and swallowed.

The team went wild, almost tearing the locker room door off its hinges trying to get back onto the field.

Mickey Elam, a converted running back playing quarterback, shocked the heavily favored Longhorns and the Bears won 38-14. That score was the largest margin of victory ever by Baylor over Texas. Teaff stressed later that using the worm was simply a psychological device to allow his players to relax and play up to their potential.

Floyd Casey Stadium History

After 39 years of play in Baylor Stadium, 1989 marks the first full season the Bears will play in the newly named Floyd Casey Stadium.

The name change officially took place during halftime ceremonies of the 1989 Homecoming game when it was announced that longtime University supporter and trustee Carl B. Casey of Dallas and his wife, Thelma, contributed \$5 million to the current stadium renovation project.

Floyd Casey, Carl Casey's father, was a prominent Waco business man who died in 1962.

The generous Casey donation is part of an \$8 million campaign to completely refurbish the stadium and build new facilities for the Athletic Department. Included in the plans is a north endzone complex which will house offices, locker rooms, weight rooms, training rooms, meeting rooms, a video studio and Bear Club facilities.

Stadium renovations include a new artificial playing surface, expanded and improved restrooms, new concession stands, a new elevator and a remodeled pressbox.

The entire project, which began last summer with the installation of All-Pro Turf, will make Floyd Casey Stadium one of the finest college football facilities in America.

The Bears moved to Baylor Stadium in 1950. The idea of building the stadium first began after World War II when the Baylor Stadium Corporation was formed. The corporation launched a bond sales program and was able to raise \$1.5 million for construction costs. The last bonds were retired in 1980.

The first game played in the 48,500-seat stadium was September 30, 1950, a 34-7 Baylor victory over the Houston Cougars, then an independent team. The initial Southwest Conference game was November 4, 1950, a 27-20 win over Texas A&M. The largest crowd to see the Bears play at home was the 1974 A&M game when

51,200 fans jammed the stadium to watch the Aggies shut out the SWC champion Bears, 20-0.

Many improvements and additions have been made to the stadium over the years. Until 1972 the Bears played on natural grass, but with the hiring of head coach Grant Teaff the first AstroTurf surface was installed in 1972. A second AstroTurf surface was added in the summer of 1979.

During the 1970s, the beautiful and comfortable Lettermen's Lounge was built on the stadium's west side. Also, an expanded Bear Club Room was added. Both projects were funded by the respective groups' members.

An eight-year project to change from worn wooden to modern aluminum bleachers was finished in 1981.

Prior to the building of Baylor Stadium in 1950, several playing sites were employed by the Bears. The first Bear football squad was formed in 1899, but no records are available to prove where the team played. Old newspaper clippings and yearbook articles only indicate the first three seasons were played on an extremely rough field close to the school.

From 1902 to 1925, with the exception of 1906 when football was banned on campus because it was deemed too violent, the Bears played most of their games at Carroll Field, an on-campus facility. An unknown number of games were played at the old Cotton Palace during this period.

The Bears moved to the Cotton Palace for the entire years from 1926-29 before returning back to Carroll Field from 1930-35. The team moved off the main campus for good in 1936 when it began calling the newly built Waco Stadium home. Waco Stadium was renamed Municipal Stadium in 1942 and it was there BU played through 1949, except for a break from 1943-44 because of the war effort.

Through 87 years Baylor has compiled a record of 275-157—28 at its various home playing fields.

Although edged in the final statistics, coach Bob Woodruff's Baylor Bears won the first bowl appearance in the school's history by defeating Wake Forest 20-7 in the second annual Dixie Bowl.

Wake Forest, although gaining 277 total yards compared to Baylor's 212, fell behind 20-0 at halftime to the upstart Bears and could never seriously threaten the 6-3-2 victors.

Bear defender George Sims recorded the game's first turnover when he intercepted a Deacon pass in their first possession and returned it 52 yards to the Wake Forest eight-yard line.

Sammie Pierce, who averaged 13.1 yards a carry against the 6-3 Deacons, scored the first touchdown from a yard out and Jerry Mangrum scored from the same distance in the second quarter to give Baylor a 13-0 lead.

The Bears increased the margin to 20-0 off a 68-yard drive, highlighted by a Pierce 40-yard romp. Quarterback Ray Painter, who had attempted only seven passes during the regular season, passed the final 12 yards to Harold Riley for the score. Hank Dickerson added his second PAT for the day.

All-America quarterback Adrian Burk completed five passes for 69 yards, with two of the completions going to Riley. James Parker also hauled in a Burk aerial for 23 Baylor yards.

James Parker led the Baylor rushing attack with 43 yards on eight carries.

Pepper Rodgers kicked a 13-yard field goal with three minutes remaining to give Georgia Tech a 17-14 come-from-behind victory over Baylor in Miami's Orange Bowl contest.

Tech scored 10 fourth quarter points on Rodgers' effort and a Buck Martin touchdown reception, while holding Baylor scoreless to nip the 8-1-1 Bears.

Bear fullback Dick Parma scored the game's first touchdown from a yard out and C. O. Brocato added the PAT as Baylor led 7-0 in the first quarter.

After Tech knotted the score at 7, Baylor drove 63 yards, capped by Jerry Coody's four-yard scoring blast, to give the Bears a 14-7 halftime margin.

Coody was the team's leading ground gainer during the regular season, picking up 570 yards on 125 carries.

But coach Bobby Dodd's Tech squad used Rodgers and Martin's last quarter heroics to take their comeback win.

The Orange Bowl loss was Baylor's second of the 1951 season, the first coming at the hands of TCU 20-7.

Larry Isbell, who threw for 1,430 yards during the regular season, attempted 18 passes against Georgia Tech, completing eight for 93 yards. Parma was the contest's top ground gainer with 107 yards on 19 attempts.

All-America end Stanley Williams, who caught 37 regular season passes for six touchdowns, and Harold Riley each caught three Isbell passes. And defensive back Robert Reid, who established a school interception record with 11 regular season swipes, intercepted one pass from Tech quarterback Darrell Crawford.

Thirteenth-ranked Auburn scored five of the first six times they touched the football on their way to a 33-13 thrashing of Baylor in the 1955 Gator Bowl.

The Tigers, who established three Gator Bowl records and tied another in the rout, outgained Baylor 476 to 239 in total yardage.

Bear all-conference halfback Del Shofner fumbled the opening kickoff and the Tigers recovered on the Bear 27-yard line. Five plays later, Auburn scored the game's first touchdown and led 7-0.

Baylor tied the game by driving 63 yards in nine plays, the majority coming off a Billy Hooper pass to Charles Smith. Fullback Reuben Saage scored from a yard out and Smith kicked the conversion to tie the game at 7.

But before Baylor scored again, Auburn led 27-7.

Joe Childress, the game's leading yard gainer with 134 steps, scored his second touchdown of the game and Bob James added a 43-yard scoring jaunt to give Auburn a 21-7 halftime edge.

Tiger quarterback Bobby Freeman gave his squad a 27-7 lead on a six-yard romp.

All-America halfback L. G. (Long Gone) Dupre butted his way for a 38-yard scoring play to cut the lead to 27-13 midway through the third quarter. Dupre, the Bears' third leading rusher during the regular season behind Shofner and Allen Jones, finished his team's leading rusher against the Tigers with an amazing 69 yards.

Freeman completed the scoring with a four-yard fourth quarter pass to end Jimmy Long.

Hooper, an all-conference honoree, finished with nine completions in 15 attempts for 112 yards, with four of the aerals going to Smith.

Dupre returned three Auburn kickoffs for 85 yards as the Bears finished 7-4 for the season. Shug Jordon was the winning Auburn coach while George Sauer saw his Bears go down to defeat.

Reuben Saage recovered Tennessee All-America halfback Johnny Majors' fumble of a Del Shofner punt and Baylor then drove 15 yards for the winning touchdown in the Bears' 13-7 upset win over the undefeated Volunteers in the 23rd annual Sugar Bowl.

Bear quarterback Buddy Humphrey scored the winning touchdown on a one-yard sneak and Don Berry added the conversion for the 9-2 Bears of coach Sam Boyd.

Baylor scored first, despite being a one-touchdown underdog, when quarterback Bobby Jones threw a 12-yard scoring strike to Jerry Marcontel in the second quarter.

But Majors, who averaged 5.1 yards per rush, completed better than 60 percent of his passes and punted for a 42.3 yard average during the regular season, gave the Volunteers the lead in the third quarter by reaching pay dirt from a yard out. Sammy Burklow added the PAT and Tennessee led 7-6.

After the Volunteers held Baylor on their first possession of the fourth quarter, Shofner punted to the Tennessee eight. Majors returned the kick seven yards before coughing up the pigskin and Saage was there to make the big play for Baylor.

The contest matched the Southeastern Conference champion Vols against Baylor, who suffered a 7-6 loss to Texas Christian and a 19-13 setback to Texas A&M during the regular season.

Tennessee and coach Bowden Wyatt swept through a 10-game schedule in which they conquered five teams that participated in bowl games New Year's 1956. Only seven points separated Baylor from an unbeaten record.

Baylor halfback Del Shofner, running behind an offensive line headed by all-America Bill Glass, finished with 88 yards rushing in 14 carries and also intercepted one Volunteer aerial. For his play, Shofner, who scored ten touchdowns during the regular season, was voted the game's outstanding player.

Bobby Peters contributed 60 yards rushing for Baylor while Saage added 39 steps. Bear quarterbacks Humphrey, Bobby Jones and Doyle Traylor could only complete three passes, all going to end Morcontell.

Peters added 54 yards in kickoff runbacks.

Coach John Bridgers' pro-modeled Spread-T Baylor offense could muster only two touchdowns against a swarming Florida defense as the Gators took a 13-12 decision in the 16th annual Gator Bowl.

On the Bears' first possession of the second quarter, a pitchout from quarterback Ronnie Stanley to all-American halfback Ronnie Bull was mishandled and Florida's Chet Collins recovered on the Baylor 20-yard line.

It took the Gators five plays to score and fullback Don Goodman plunged the final three for the tally. Bill Cash added the conversion and Florida led 7-0 with 8:42 remaining in the half.

Coach Ray Graves' squad extended their lead to 13-0 later in the same stanza when Gator defender Ronnie Slack recovered a Stanley fumble in the end zone for the quick six points.

Florida traveled 20 yards for their two scores while Baylor went 139 steps for the same results.

Down 13-0 in the fourth quarter, the Bears, who finished 8-3, put forth a furious surge that resulted in 12 points.

On the first play of the quarter, quarterback Bobby Ply threw 11 yards to Ronnie Goodwin for the score, ending a 71-yard, nine-play drive.

With 1:01 remaining, Ply, who threw for four touchdowns during the regular season, and Stanley put the Bears in position to score with three completed aerals. Bull, Baylor's leading rusher and scorer, went the final three steps for the score. However, the two-point try from Ply to Goodwin was juggled and dropped and the Gators had their hard-earned victory.

Ply established a new Gator Bowl record with 13 completions and teamed with Goodwin (seven receptions) for five.

Eight Utah State turnovers and outstanding performances by halfback Ronnie Bull and sophomore quarterback Don Trull led Baylor to a 24-9 victory over Utah State in the inaugural Gotham Bowl at the Polo Grounds.

Baylor recovered their first of five Utah fumbles and went 45 yards to score the first time it had the ball. Bull, who had 86 total yards and was voted the game's Most Valuable Player, scooted 15 yards for the initial Bear touchdown.

In the second quarter, Carl Choate kicked a 22-yard field goal for Baylor and Trull added the third score on a quarterback sneak covering two yards. Trull, who passed for 116 yards against the nation's number two defensive unit, connected with Ted Plumb for a 38-yard fourth quarter touchdown pass to end Baylor's scoring.

Choate was perfect in three extra point tries and Bull and Plumb combined for seven pass receptions.

Utah State, who entered the game with a 9-0-1 mark and a share of the Skyline Conference championship, was favored to beat coach John Bridgers' Bears, who finished with a 5-5 regular season slate.

Coached by John Ralston, the Aggies featured three standouts who later starred in professional football: all-American tackle Merlin Olsen, quarterback Bill Munson and place-kicker Jim Turner.

The 5th annual Bluebonnet Bowl at Rice Stadium saw Baylor all-America quarterback Don Trull finish his collegiate career in grand style in the Bears' 14-7 win over Louisiana State.

Trull, voted the contest's most outstanding back, completed 26 of 37 passes for 255 yards and both Baylor touchdowns. End James Ingram, the game's most outstanding lineman, caught 11 of Trull's passes for 163 yards and seven- and 13-yard scoring strikes.

The Bears totally dominated their opponent, running 80 plays to LSU's 39 and racking up 394 total yards compared to the Tigers' 108.

Dalton Hoffman was the leading rusher for both teams, gaining 70 yards for Baylor, who ended the season 8-3. Tom Davies kicked both Baylor conversions.

The Tigers scored first, moving 43 yards in seven plays in the first quarter. Bill Soefker went the final eight steps for LSU and the Tigers led 7-0.

Baylor scored their first touchdown with 13:10 remaining as Trull hit Ingram for the seven-yard strike. The Bears moved 68 yards in ten plays for the score with Trull completing three passes.

On their next possession, the Bears drove 70 yards in 11 plays for the winning score. Four completed Trull attempts, two each to Lawrence Elkins and Ingram, highlighted the scoring march.

Baylor, who lost to Oregon State, Texas and Kentucky during the regular season, was led during the year by all-Americans Trull and Elkins, all-conference tackle Bobby Crenshaw and top rusher Hoffman.

Quarterback Tom Shuman established Cotton Bowl records in passing and total offense and flanker Jimmy Cefalo did likewise in receiving yards in Penn State's 41-20 decision over Baylor in the 1975 classic.

For the fifth time in their 10-victory 1974 season, the Lions came from behind to win. The victory spoiled Baylor's first appearance in the Dallas event, coming on the heels of the school's first Southwest Conference championship since 1924.

Baylor captured a 7-0 first quarter lead with Steve Beaird's four-yard blast. Bubba Hicks added the PAT conversion with 44 seconds remaining in the opening quarter.

A Matt Bahr 25-yard field goal closed the Bears' lead to 7-3 at intermission.

After the Nittany Lions took their first lead off Tom Donchez' one-yard blast, all-conference quarterback Neal Jeffrey put Baylor ahead 14-10 with a 35-yard scoring toss to end Ricky Thompson.

Three touchdowns, two by Cefalo and one by Shuman, and another Bahr field goal gave Penn State a 34-14 lead with 3:32 remaining. But the Bears, who finished 8-4 for the year, refused to fold and with 19 seconds left reserve quarterback Mark Jackson teamed with Thompson for an 11-yard touchdown.

On the ensuing kickoff, Hicks tried an onside kick only to watch Lion Joe Jackson scoop up the loose pigskin and race 50 yards for another Penn State score with two seconds left.

Baylor junior safety Ken Quesenberry, who had 12 tackles and one interception, was named the game's most Outstanding Defensive Player. Defensive back Tom Turnipseede added 11 tackles for the Bears and also recovered a Donchez fumble.

Senior Phillip Kent, one of eight Baylor all-conference selections playing in the game, returned three Nittany Lion kickoffs for 58 yards.

Thompson and tight end Sam Harper each caught three passes.

Quarterbacks Mike Brannan and Mickey Elam passed for 86 yards each to spark the Baylor Bears to a 24-18 upset win over the 17th-ranked Clemson Tigers in Atlanta's Fulton County Stadium.

The win vaulted coach Grant Teaff's Bears into 14th place on the Associated Press' final college football poll. The 8-4 Bruins were beaten during the regular season by Alabama, Houston, Arkansas and Texas, all members of the top ten.

With the Tigers leading 7-0, Brannan teamed with Bo Taylor on a three-yard touchdown toss to knot the score following Robert Bledsoe's extra point. The tally came eight plays after Baylor recorded its first of two blocked punts against Clemson kicker David Sims.

The Bears forged ahead 14-7 with 12:20 left in the second quarter when Brannan, voted the game's Most Valuable Offensive Player, connected with Robert Holt for a 24-yard scoring strike.

Baylor's final ten points resulted from a Bledsoe 29-yard field goal and a scoring pass from Elam to Raymond Cockrell that covered seven yards.

Senior defensive end Andrew Melontree, voted the game's Most Valuable Defensive Player, and linebackers Doak Field and all-America Mike Singletary led a Baylor defense that held an 8-3 Clemson offensive unit to 67 yards rushing.

Elam and tailback Walter Abercrombie set a Baylor bowl record when the duo teamed for a 63-yard pass completion in the third quarter to set up Bledsoe's field goal.

Coach Paul "Bear" Bryant's Alabama Crimson Tide completely dominated Baylor in the 45th annual Cotton Bowl on their way to a 30-2 rout.

The Bears, ranked as high as sixth place in the nation during the regular season, closed an outstanding 10-2 and Southwest Conference championship campaign by dropping their second Cotton Bowl game in as many tries.

Alabama, who closed a 10-2 year with the win, took advantage of four Baylor fumbles and also intercepted three Bear passes to roll up a 339-158 total yardage advantage.

Three Peter Kim field goals and scoring runs by Major Ogilvie, Don Jacobs and Mark Nix put the Crimson Tide on the scoreboard while a Tommy Tabor first quarter safety made the only points the Bears could muster.

The league-leading Baylor offense netted 54 yards rushing, 18 by quarterback Jay Jeffrey. SWC champion runner Walter Abercrombie was held to nine yards on eight attempts by the Alabama defense.

Fullback Dennis Gentry was the leading pass receiver in the game, grabbing five receptions while Robert Holt added three others. Also, Gerald McNeil accumulated 100 yards in kickoff and punt returns for the Bears.

Tabor and all-conference linebacker Doak Field led the Baylor defensive charge with 15 stops each. All-America middle linebacker Mike Singletary, all-league safety Vann McElroy and linebacker Lester Ward each had 12 tackles for Baylor.

Baylor, following the New Year's Day defeat, dropped to 14th place in the final football poll.

Oklahoma State raced to a 21-0 lead in the first half before finally holding off Baylor, 24-14 in the 25th Annual Bluebonnet Bowl at the Astrodome.

Aided by a roughing-the-passer call and fine running by Alfred Anderson and Broderick Sargent, Baylor drove 87 yards in eight plays for its first score. Cody Carlson hit all-American Gerald McNeil with a 12-yard TD strike.

Oklahoma State scored its final points of the night on a 44-yard field goal by Larry Roach after Jim Mueller's onside kick attempt failed. The Cowboys drove from midfield to Baylor's 27-yard line before settling for the field goal with 21 seconds left in the half.

Rusty Hilger missed the second half after being knocked out by BU linebacker Robert Watters and was replaced by reserve quarterback Ike Jackson. Jackson moved OSU to the Baylor five early in the third quarter but Thomas Everett, Aaron Grant and Kevin Hancock led one of BU's best defensive stands of the year. Roach's field goal attempt was blocked by Ervin Randle.

Both of Baylor's interceptions came in the last period; Tom Muecke and Cody Carlson threw one each as the Bears hurried to catch up. McNeil took a 28-yard halfback option pass from Anderson and Marty Jimmerson kicked the PAT to cut OSU's lead to 10 with 5:14 remaining. Baylor's hopes were dashed for good when Muecke was trapped for a loss of five on fourth down with 1:10 showing on the OSU 45.

Hancock led Baylor defensively with 14 tackles while Paul Mergenhagen added 10.

Anderson was selected Baylor's MVP after rushing for 103 yards on 21 carries. McNeil's 163 yards receiving tied the individual bowl record set 20 years earlier by another Bear—James Ingram.

Baylor fashioned one of its finest bowl efforts ever in beating LSU 21-7 in the 27th Liberty Bowl Football Classic.

The Bears dominated virtually every phase of the game. They gained 489 yards total offense to the Tigers' 192. Baylor led in first downs (26-9), rushing yards (215-92), passing yards (274-101), yards per snap (5.4-3.3) and time of possession (37:14-22:46).

The Baylor defense played so well the second half LSU gained only 72 yards on 26 plays. In the third quarter the Tigers had 11 yards total offense on nine snaps.

LSU got on the board first with a 79-yard Norman Jefferson punt return. That play, a Liberty Bowl record, came with 5:17 remaining in the first quarter and turned out to be LSU's only fireworks of the cool, clear evening.

The Bears took the ensuing kickoff and marched 80 yards in seven plays to knot the score at seven. On a third and goal from the five, quarterback Cody Carlson hit a diving Matt Clark in the corner of the end zone. Terry Syler added the extra point.

Syler made it 10-7 with his 29-yard field goal with 5:36 left in the first half and upped the score to 13-7 with a 35-yarder early in the third quarter.

Baylor's final tally came when Carlson connected with John Simpson on a 15-yard scoring strike with 10:42 left to play. The junior quarterback, who was named the game's Most Valuable Player, then hit Clark for a two-point conversion, making the final score 21-7.

In addition to Carlson, Simpson was named Baylor's Outstanding Offensive Player on the strength of his three catches for 117 yards, including a 59-yarder which helped set up a Syler field goal. Cornerback Ron Francis, who had an interception, fumble recovery and six tackles was named Baylor's Outstanding Defensive Player.

Baylor's defense, led by Most Valuable Player Ray Berry, stymied Colorado's wishbone offense to key a 21-9 Bear win in the 28th Bluebonnet Bowl.

The Bears limited the Big Eight runner-up Buffaloes to only 194 total net yards, 83 of which came on the ground. Berry, called a "one man wrecking crew" by sportswriters after the game, accounted for 12 tackles, three of which resulted in 12 yards in losses.

With the win Baylor finished the season 9-3 and ranked as the Southwest Conference's highest team in the national polls. Sports Illustrated listed the Bears in the No. 8 spot while the Associated Press ranked BU No. 12 and the United Press International No. 13.

Colorado found out early what kind of day it would be for the Baylor defensive squad. They managed only one field goal and 77 yards total offense in their first eight possessions through nearly three quarters of play. Meanwhile, Baylor's offense did what it had to do, scoring a touchdown in each of those first three quarters.

The first Bear TD capped a 12-play, 64-yard drive in the first quarter. The drive was kept alive by a CU offsidess penalty when Baylor was in punt formation. The highlight play was a 22-yard run off tackle by Derrick McAdoo down to the Colorado five. Four plays later, McAdoo, a senior from Houston, dove over from the one on a fourth-down play.

Baylor next hit pay dirt midway through the second stanza. It took only three plays to go eight yards after Keith Rose recovered an errant Colorado pitch. Quarterback Cody Carlson hit flanker Darnell Chase in the corner of the end zone on a two-yard scoring strike.

Another turnover gobbled up by the BU defense set up Baylor's final score. Robert Watters sacked the Buff QB and Berry recovered on the 21. It took only four plays, one of which was a 17-yard shot from Carlson to Matt Clark, before McAdoo tied the BU school record with two TDs in a bowl game.

The rest of the way it was just a matter of letting the defense do its thing while younger players got valuable experience. Carlson saw no action in the fourth quarter because of a bruised shoulder.

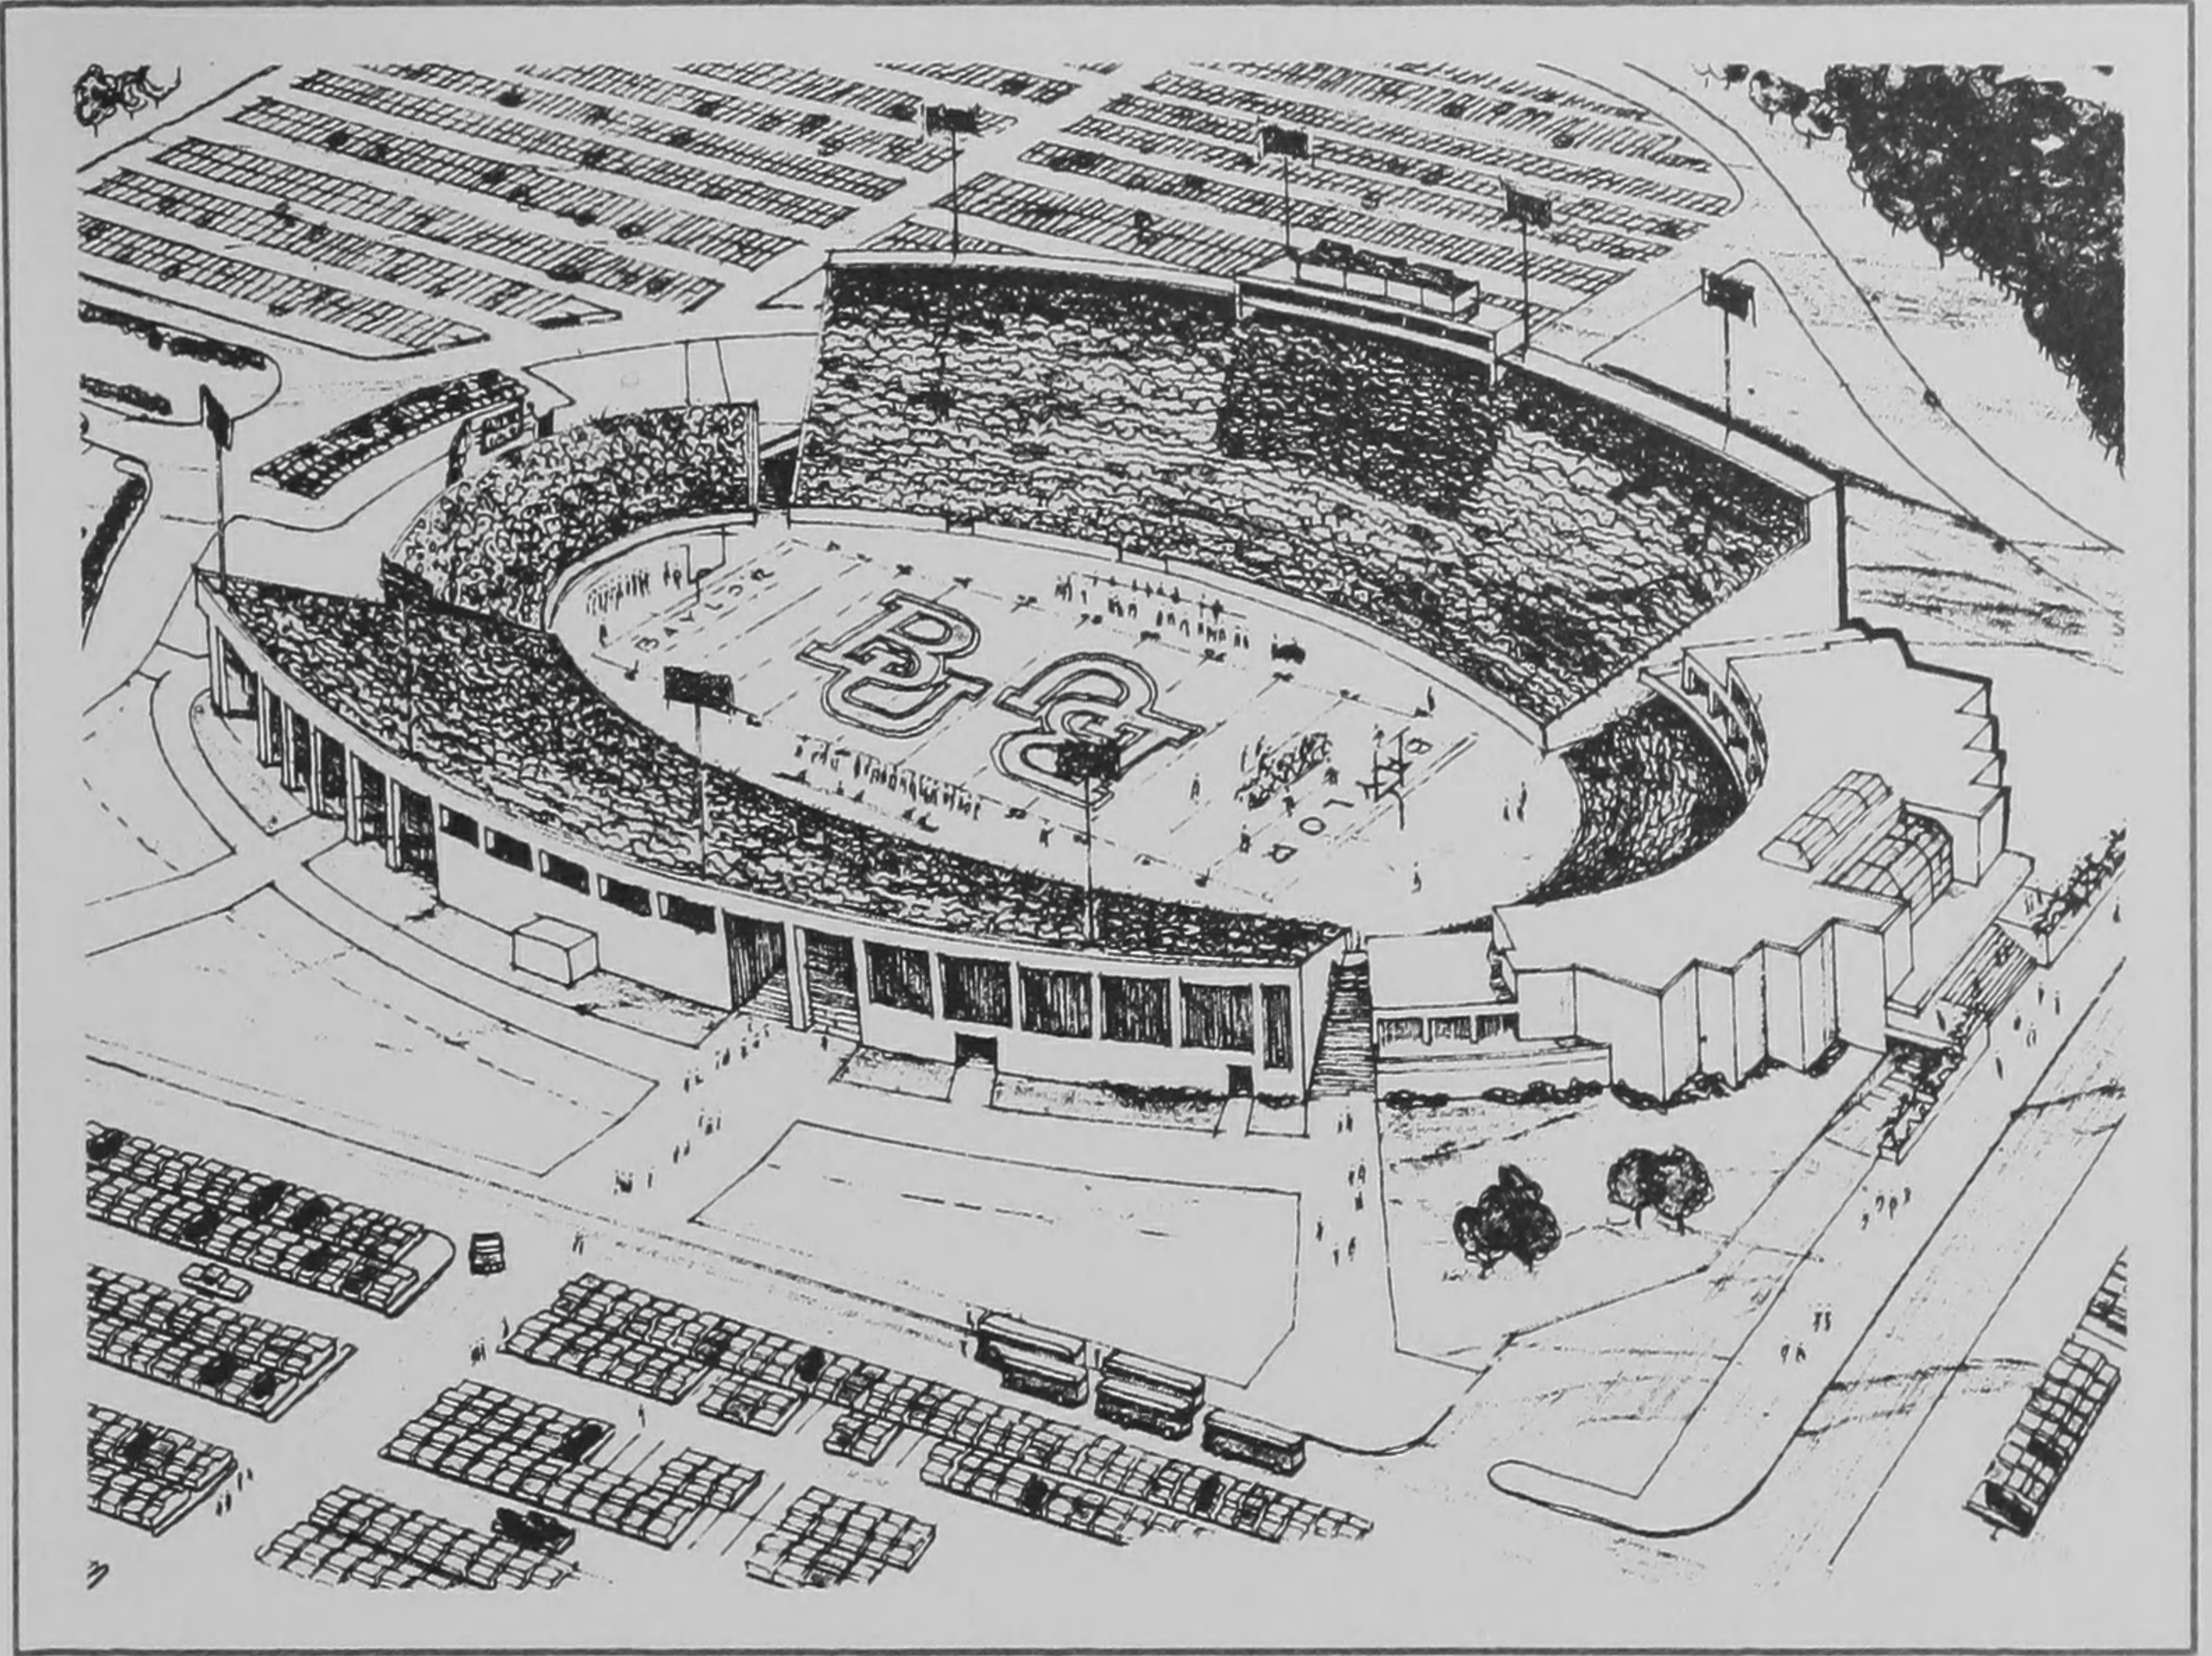

In addition to scoring twice McAdoo led Bear rushers with 36 yards. Jeffrey Murray was right behind with 35. Carlson completed 11 of 22 passes for 136 yards and Clark was the biggest recipient. He caught three for 58 steps.
